

1975  
BELL

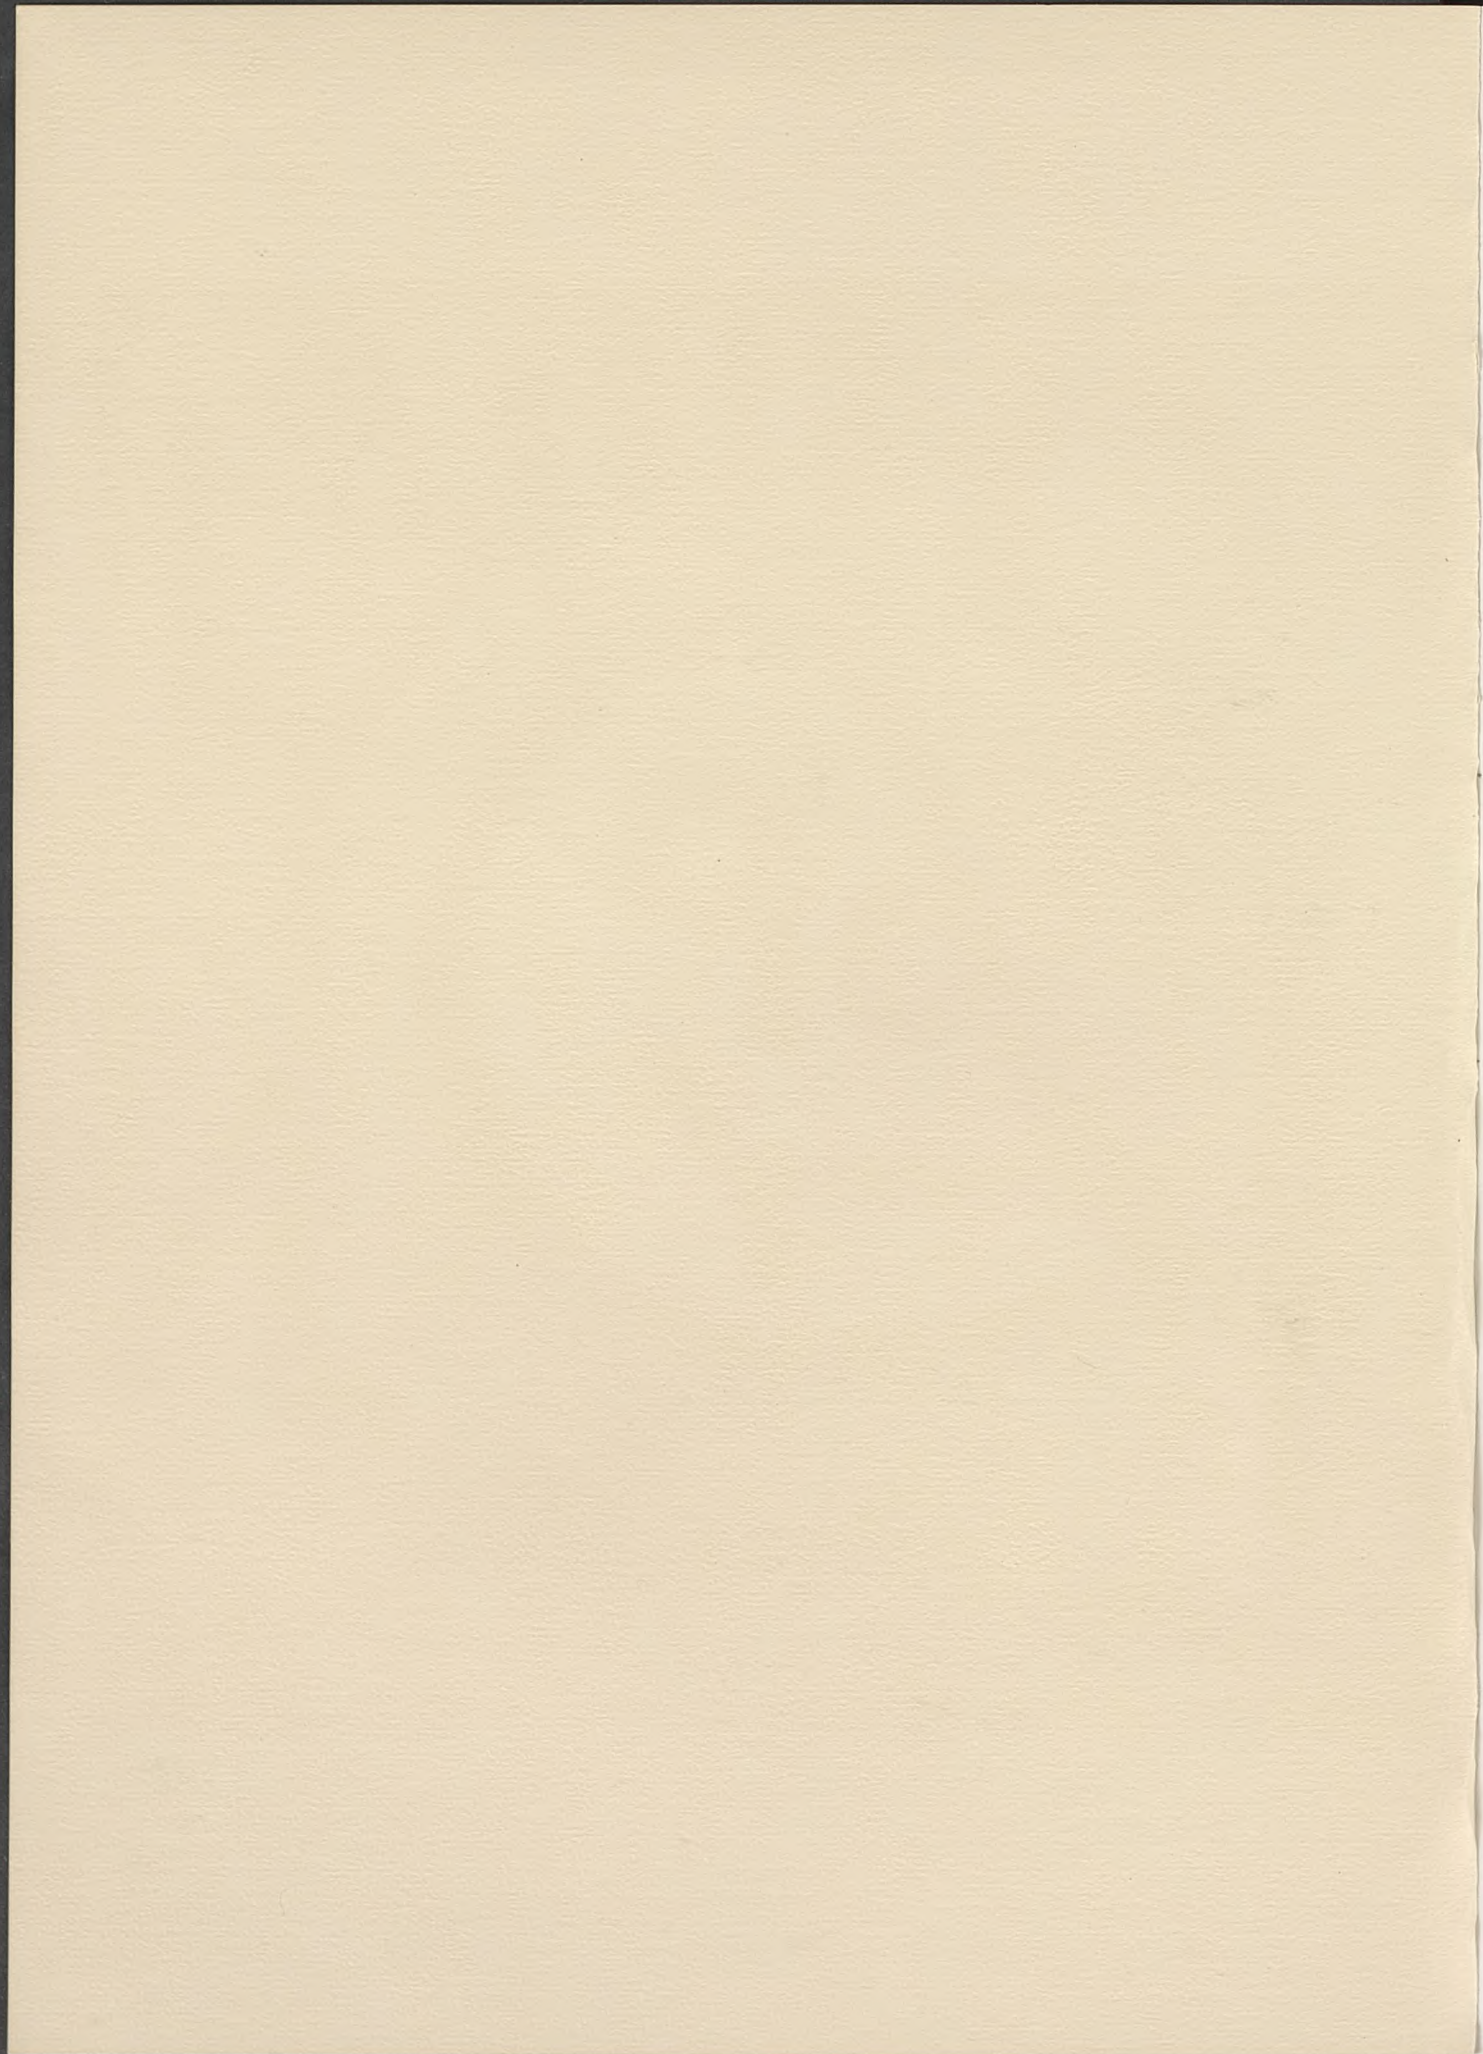

Paul Klee—Stiftung,  
Kunstmuseum Bern.  
Danke.

Nor does time interfere here, not while always on the run—and the first few notes of the sun sweep blindly across the brick wall with no explanation of why you are here or where or what you are ....

Words break up into inchoate sounds as the day begins but it's all experience, not right or wrong but just something happening ...

The bricks have color but color does not have meaning, it's not a part of the shape of things, what's real and what is not. There might be white columns in front of the wall but they have no dimension, just stripes on a picture that you might look at without understanding for years. Time does not interfere here; the picture might exist forever but forever has no meaning ....

I WILL BURY THE BODY OF MY FATHER and try to destroy the past by a convulsion and annihilation of time ....

The last music of the sun turns red and fluctuates on the borders of night, and there is no possibility of knowing why you have spent the whole day here. It is not possible (the matter admits of no explanation) to know or understand ....

Maybe it is what you dream that is real ... and reality might just be a dream.

(pause)

# DEDICATION

The past four years have seen the Art Department of M.B.A. move from the lobby of the gymnasium into a handsome new building of its own. The Art Department has encouraged prominent artists both to lecture here and to exhibit their works in the school. Graduates of the Art Department are now beginning to distinguish themselves as artists and as students of art. These accomplishments are in large part the result of the talents and perseverance of Mrs. Louise Lequire.

Mrs. Lequire devotes her time and energy to the awakening of artistic interest and talent in M.B.A. students. Her courses do not merely teach craftsmanship, but rather they seek to deepen the student's knowledge of Western culture as a whole, historically and aesthetically. To the portion of the student body which she reaches, Mrs. Lequire's contribution is invaluable. With gratitude and admiration, we dedicate the 1975 Bell to Mrs. Louise Lequire.

# FEATURES

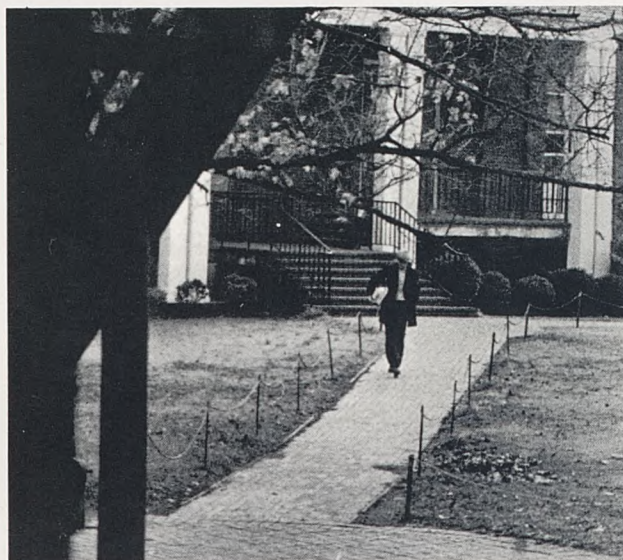

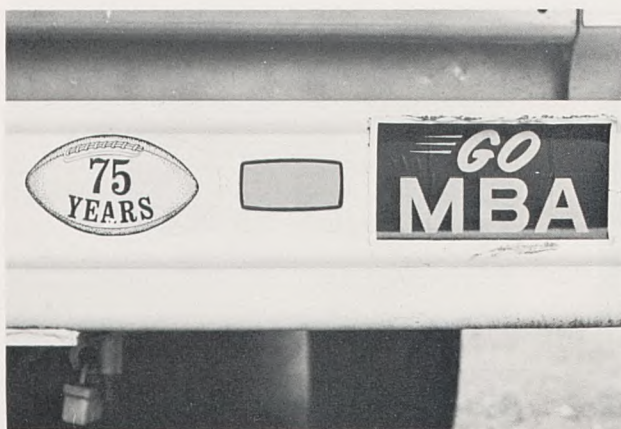

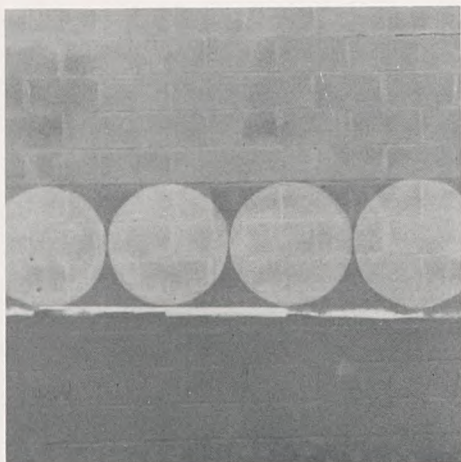

## CAMPUS LIFE

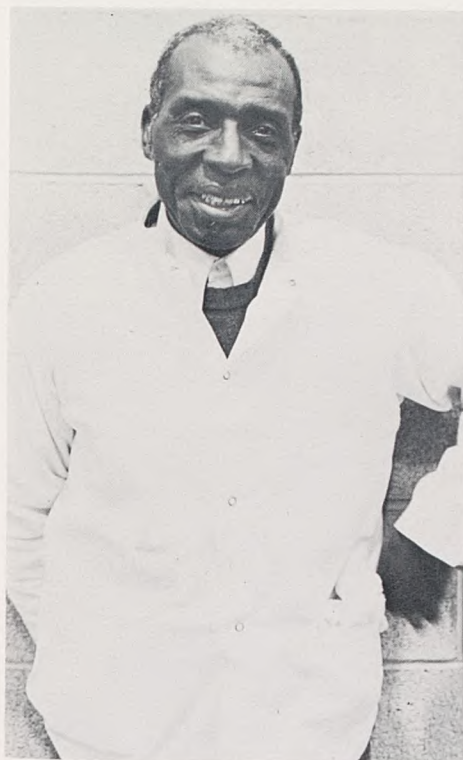

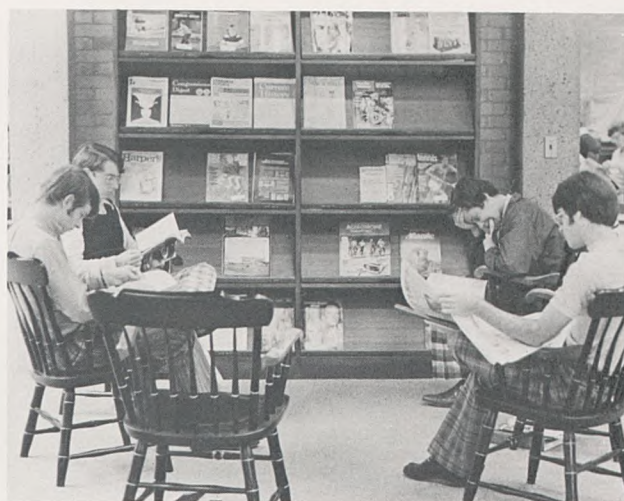

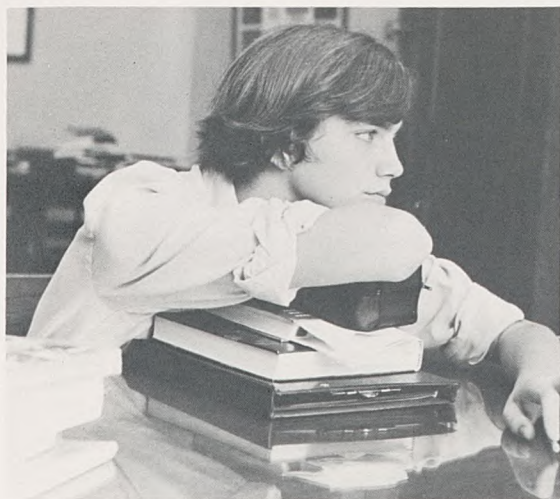

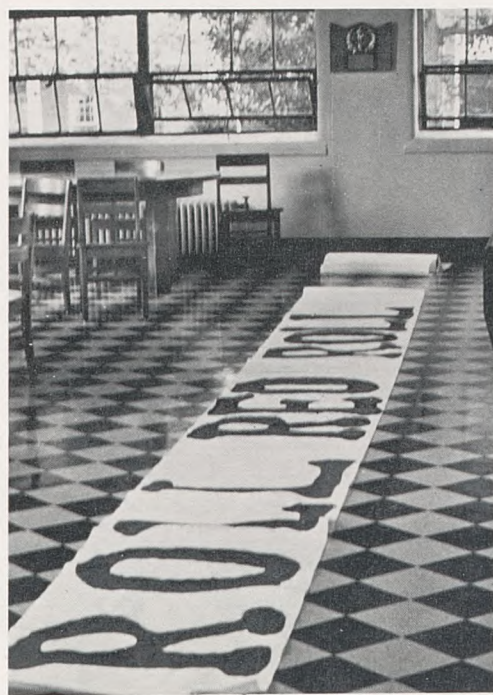

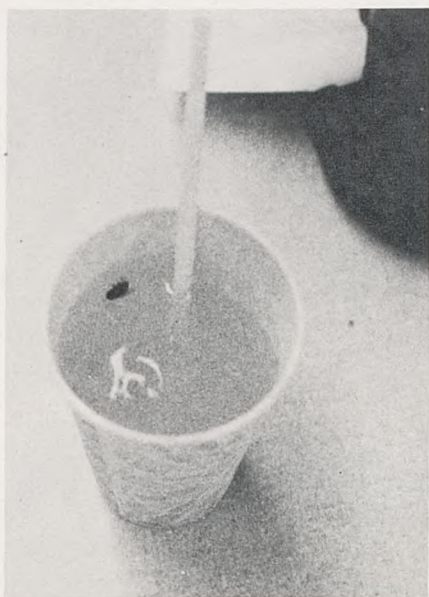

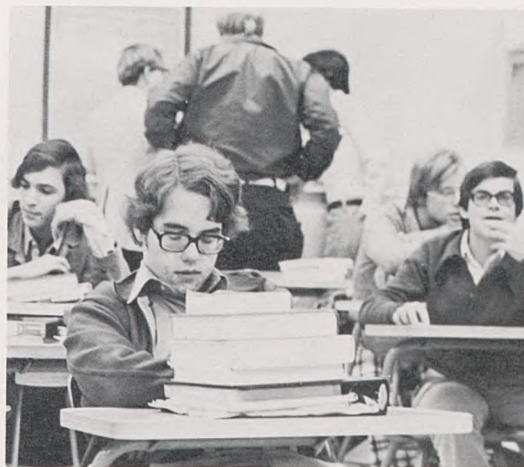

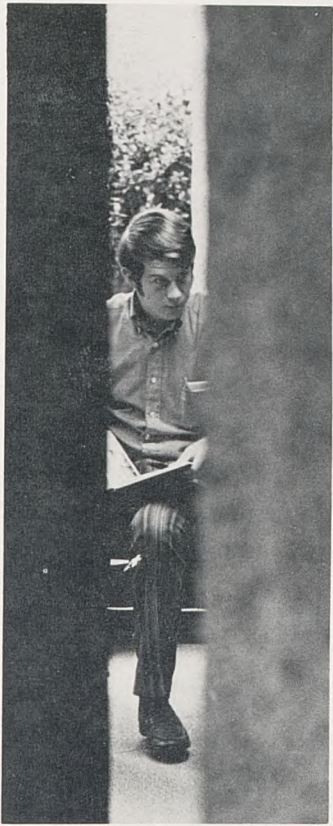

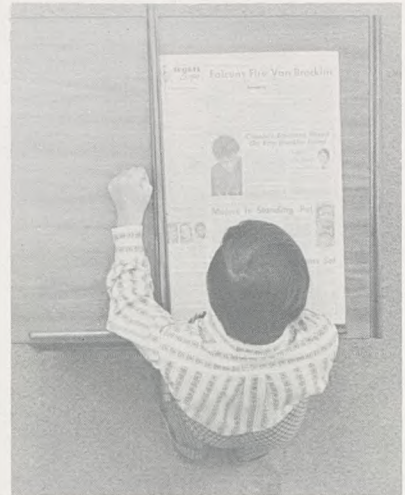

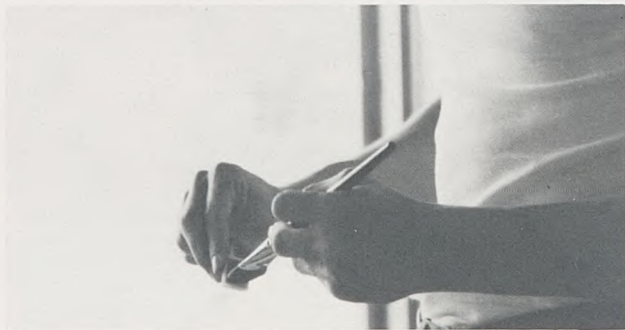

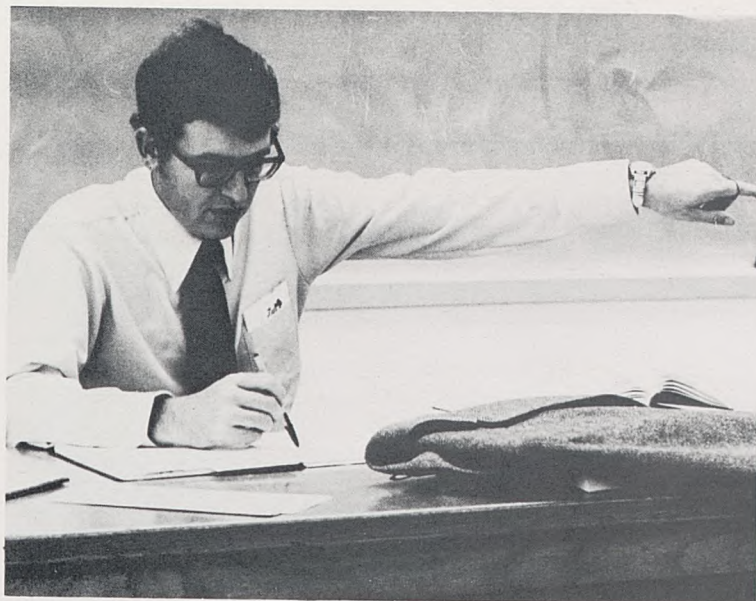

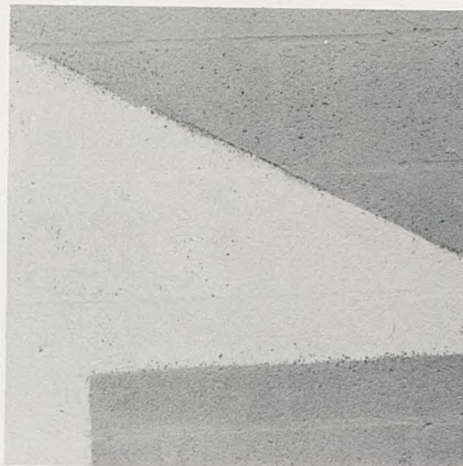

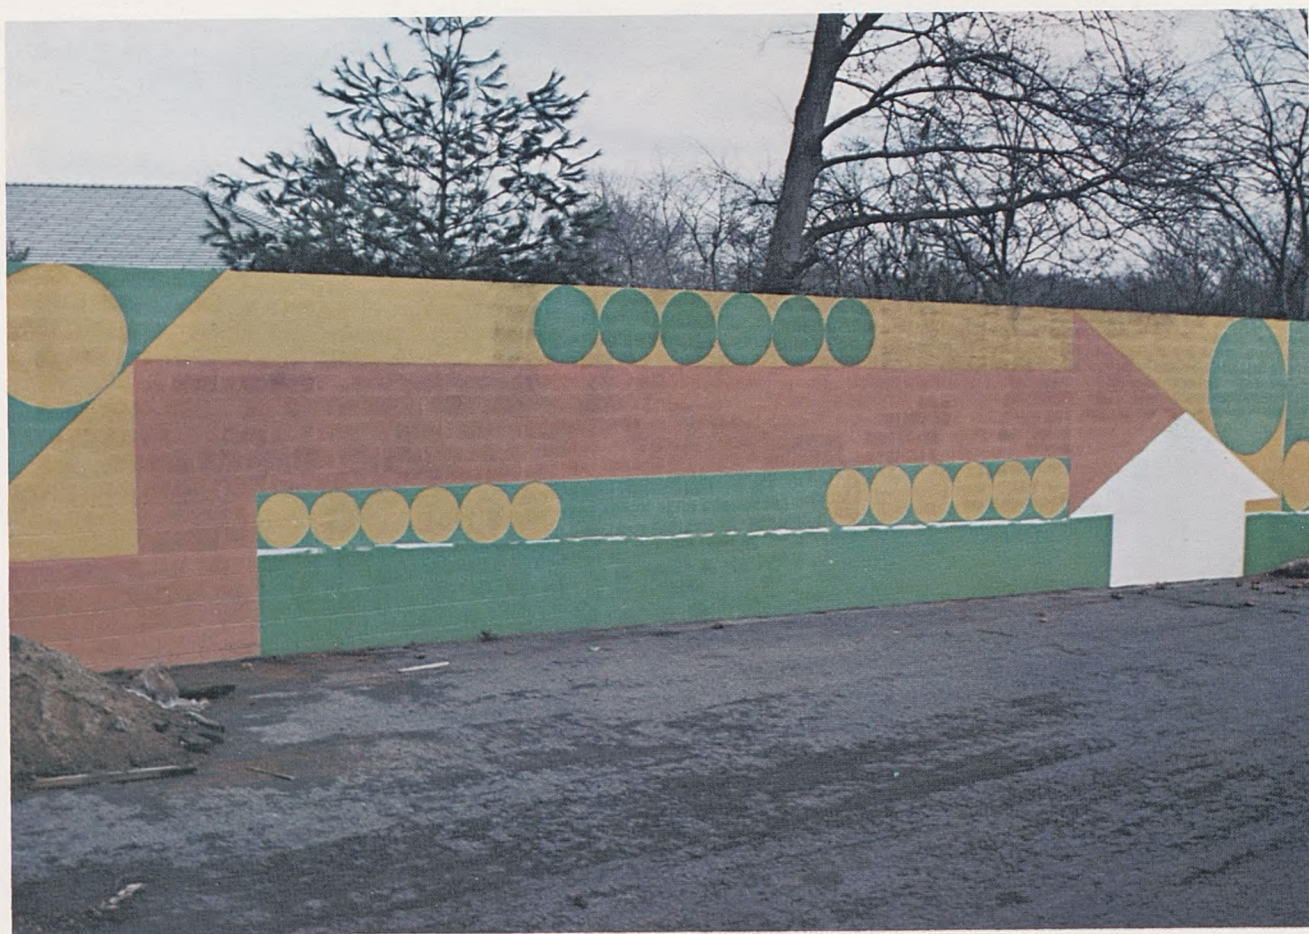

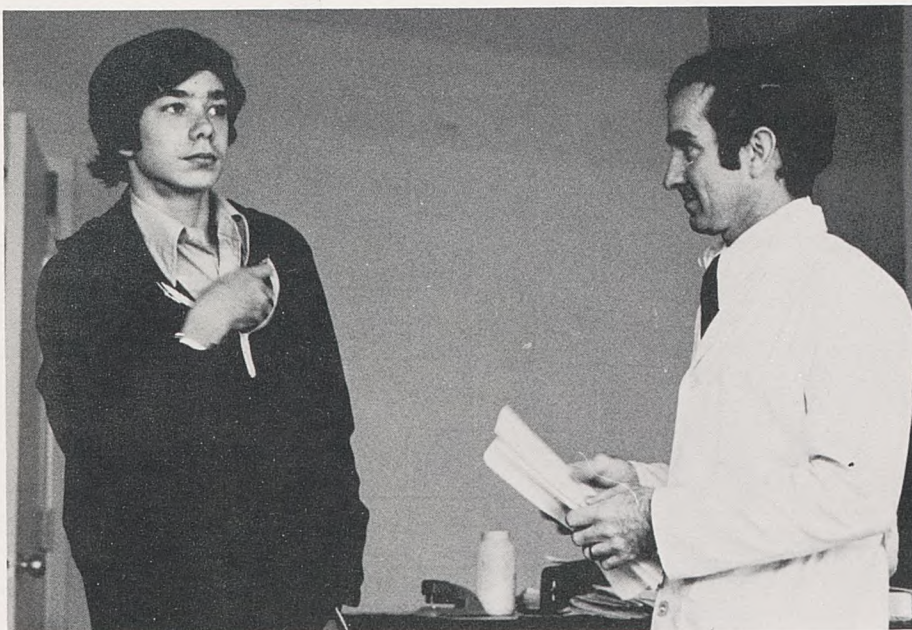

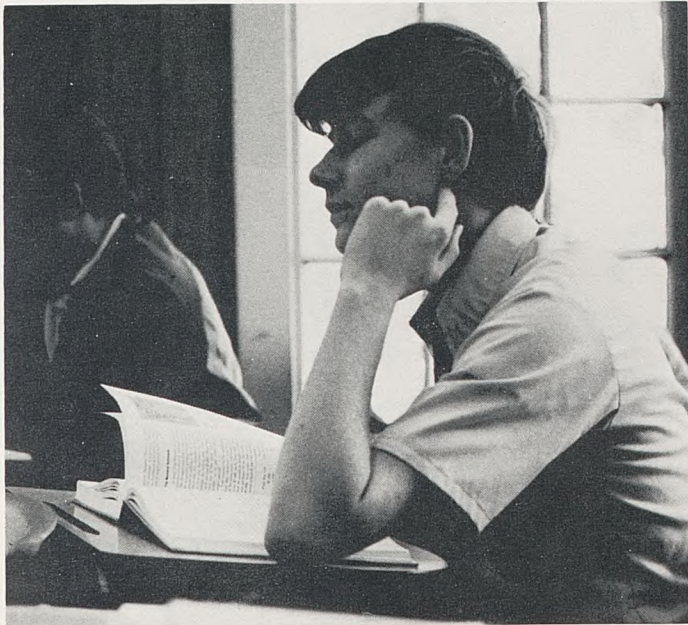

# THE WALL

During the football season, the school endures considerable difficulty and expense in removing messages of rival teams from the walls, pavement, and trees. When such a message appeared on the tennis backboard, a novel solution, in the form of a wall mural, was proposed. In a design contest held in the art studio, David Johnson was awarded the honors. Art students combined efforts to transfer Johnson's design to the wall. The result was a bold and colorful addition to the campus, as well as some worthwhile experience for the students involved. With the cooperation of its competitors, MBA may hope to have many more such murals in the years to come.

# Homecoming/Spaghetti Supper

Homecoming '74 was a resounding success ...

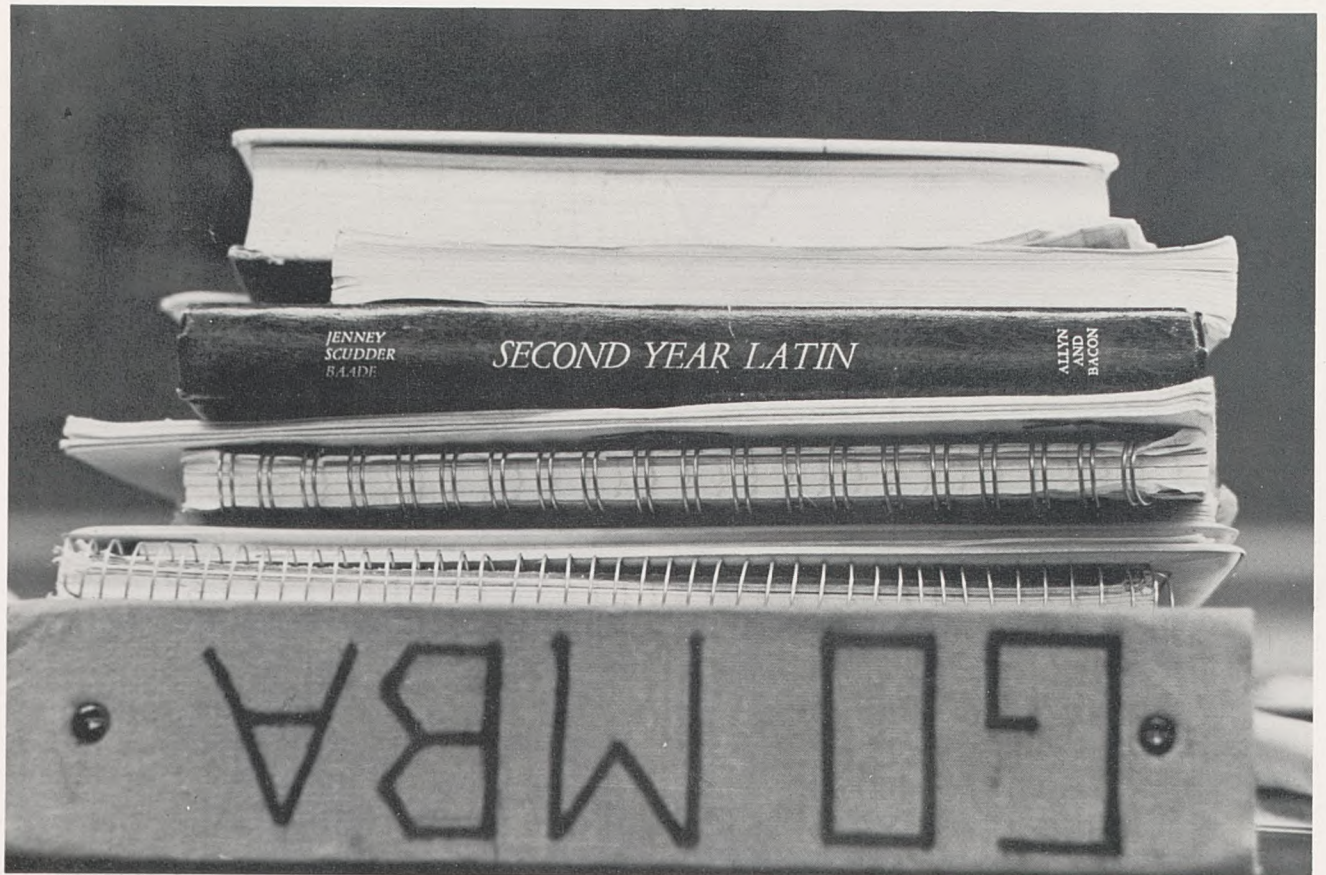

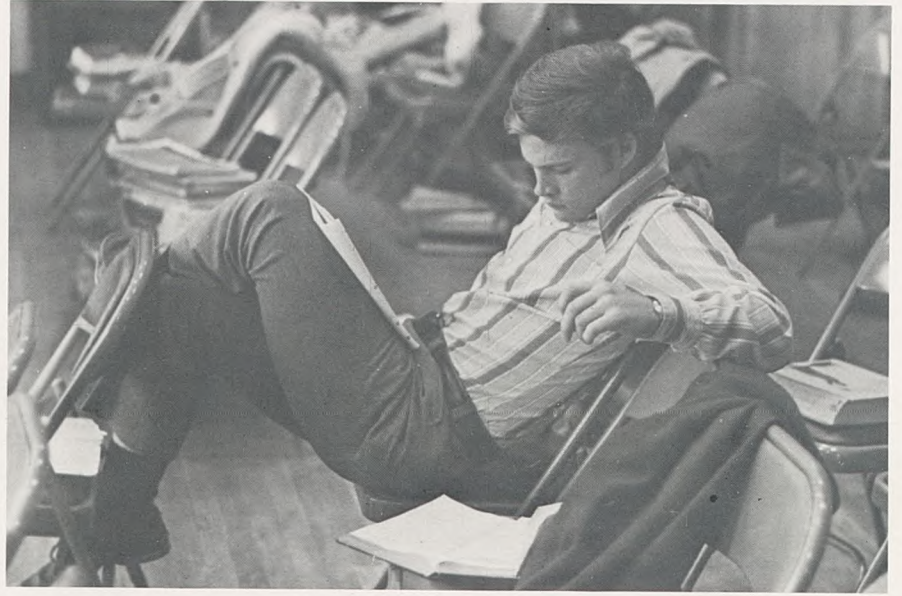

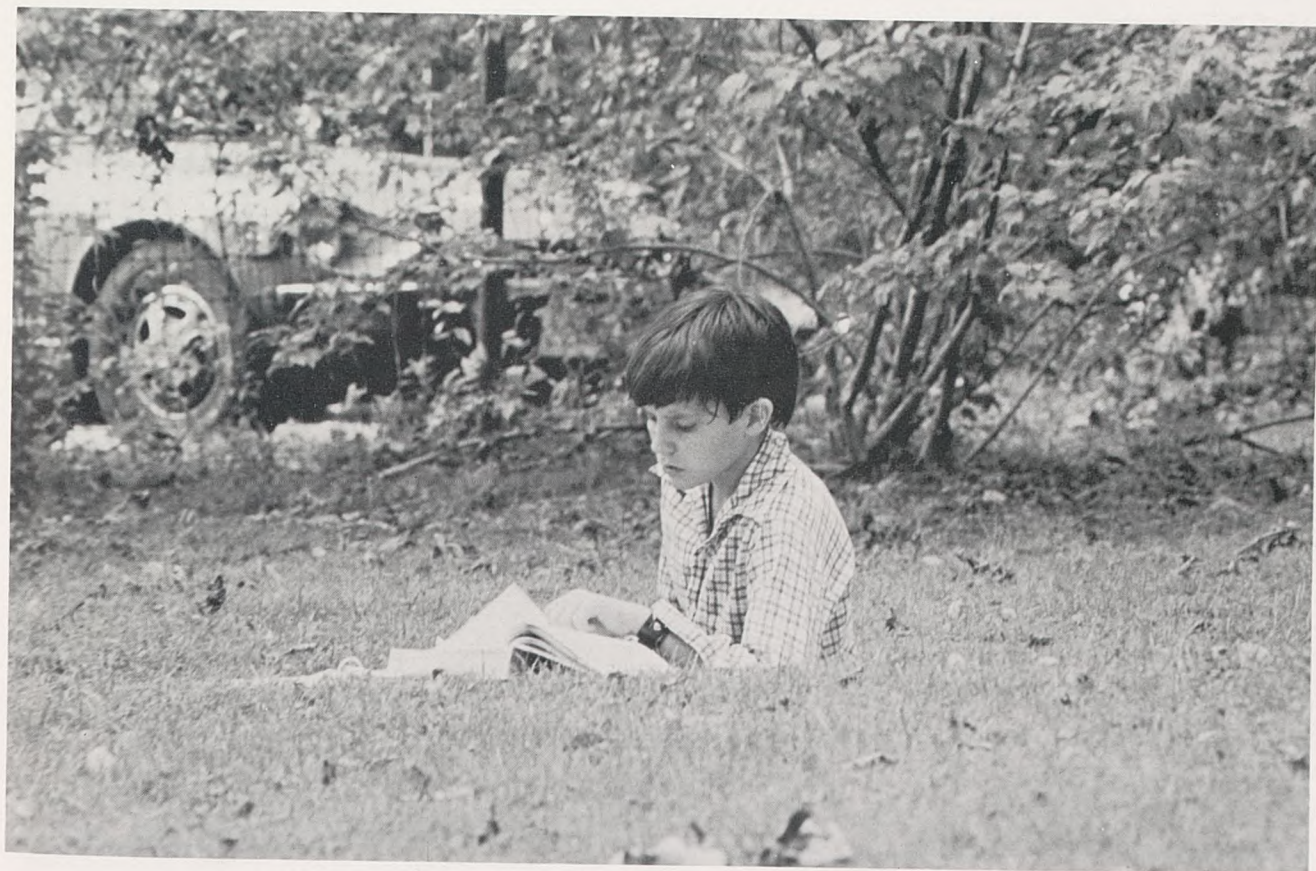

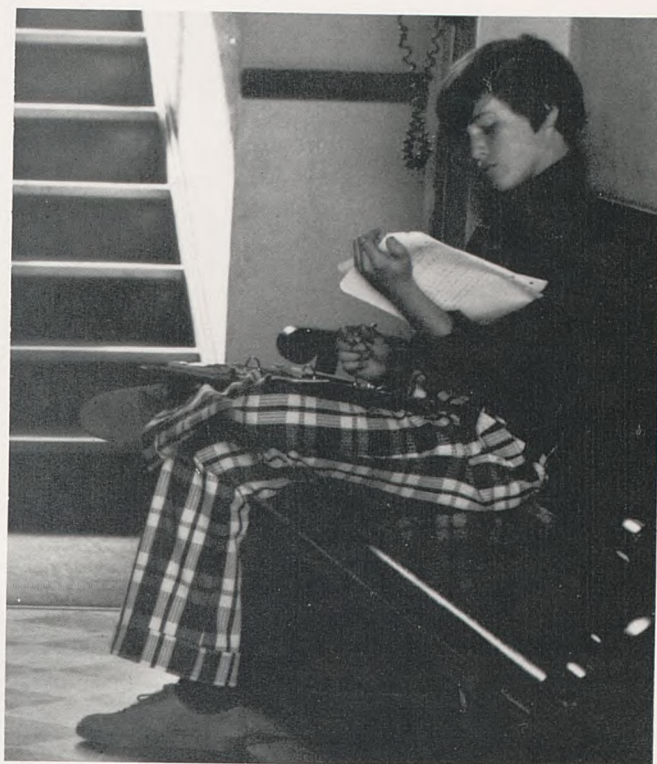

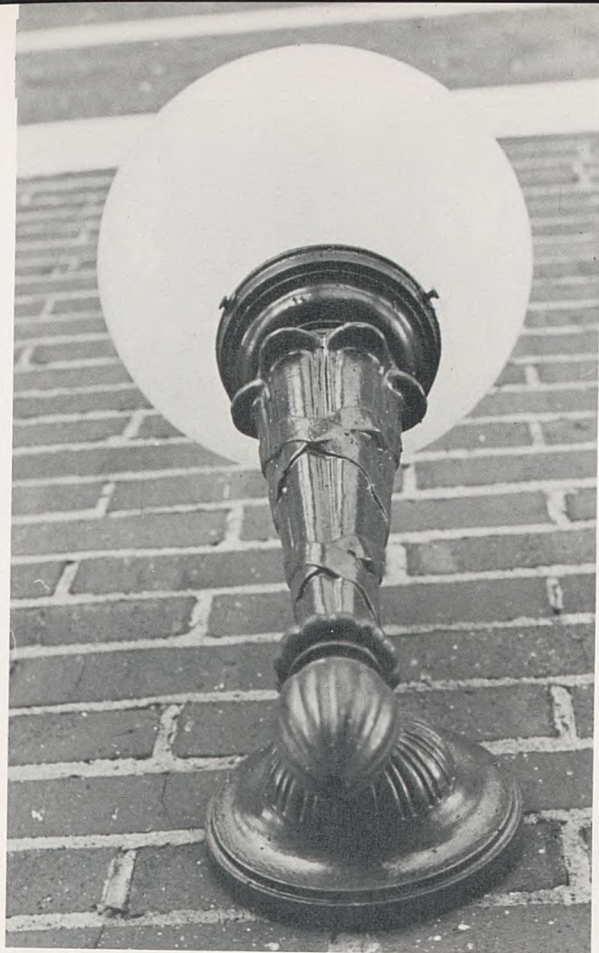

... the spaghetti supper grossed over \$12,000, the seniors set a school record for ticket sales with a \$28 per student average, and the Big Red rolled over Antioch 22-17.

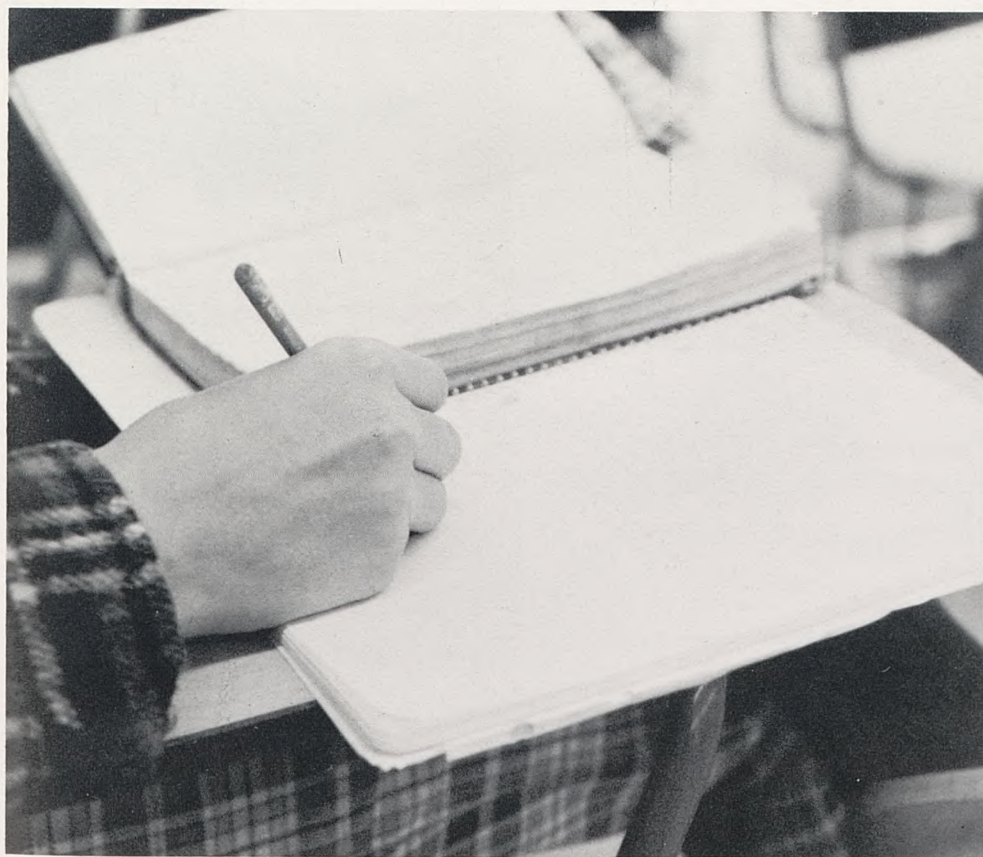

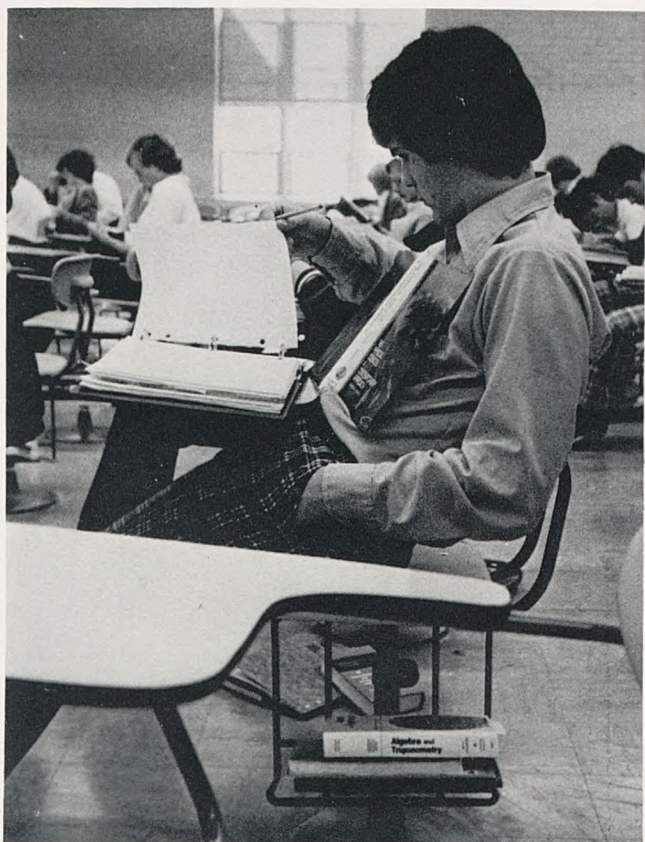

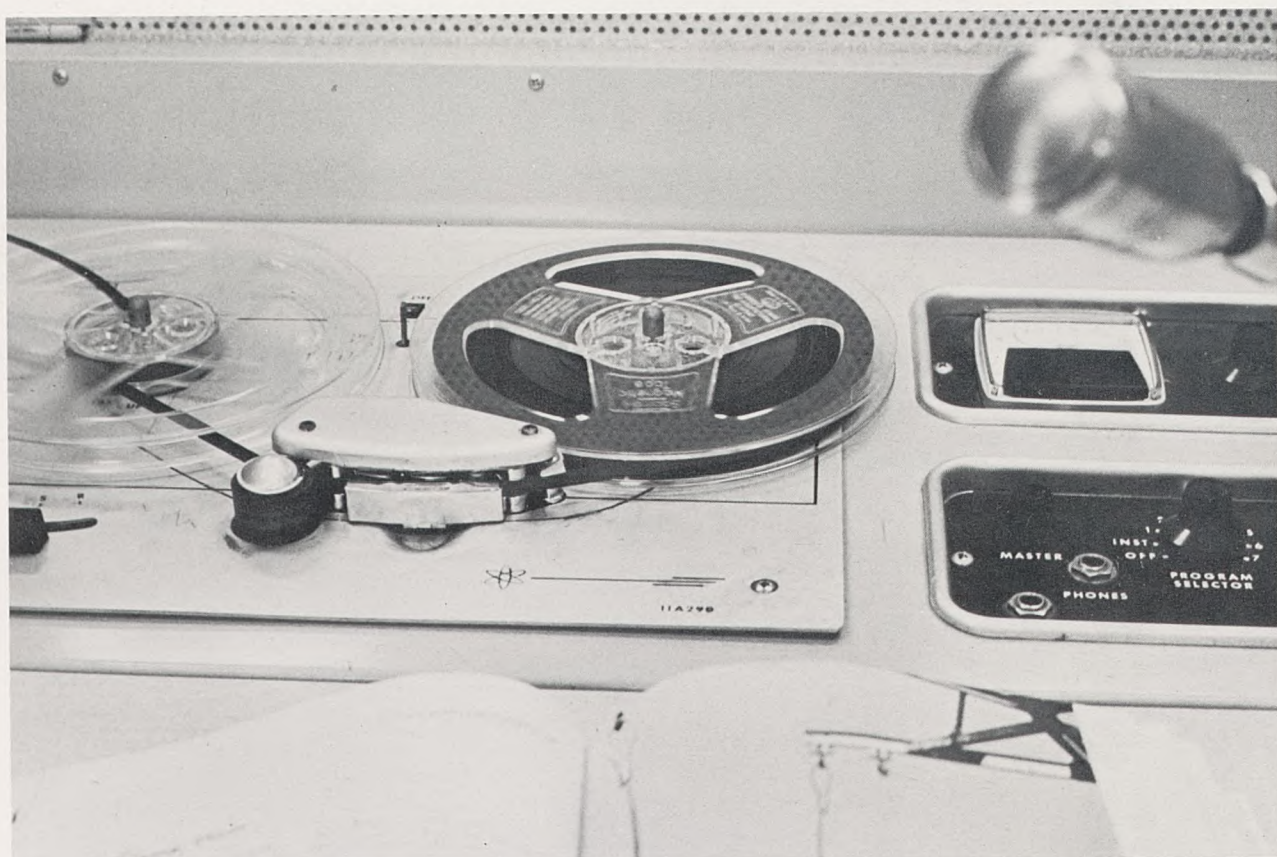

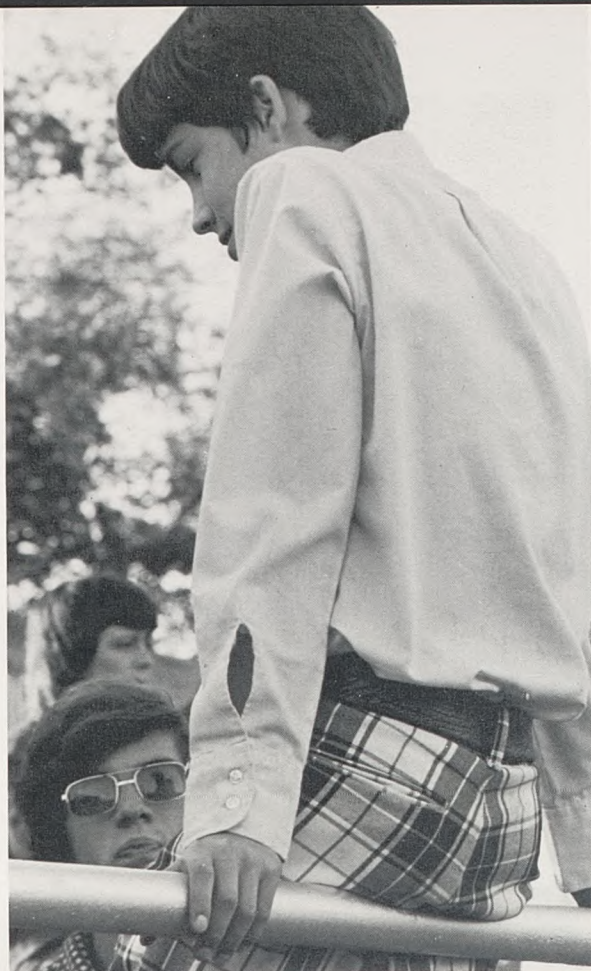

## Study Hall

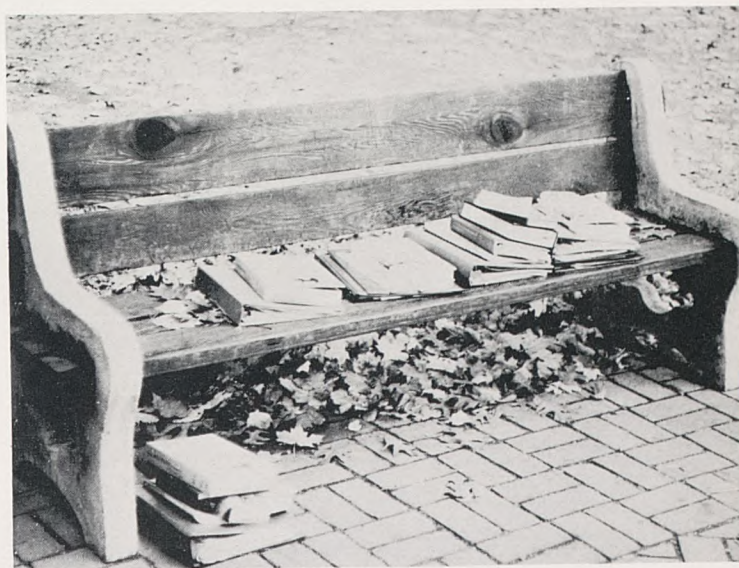

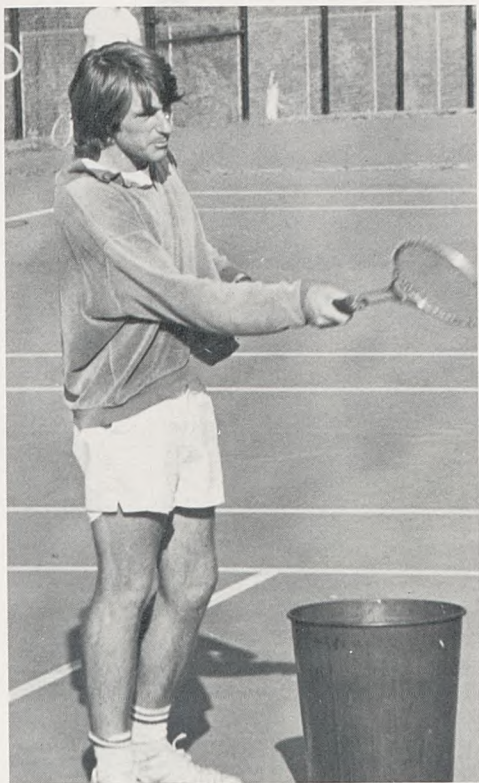

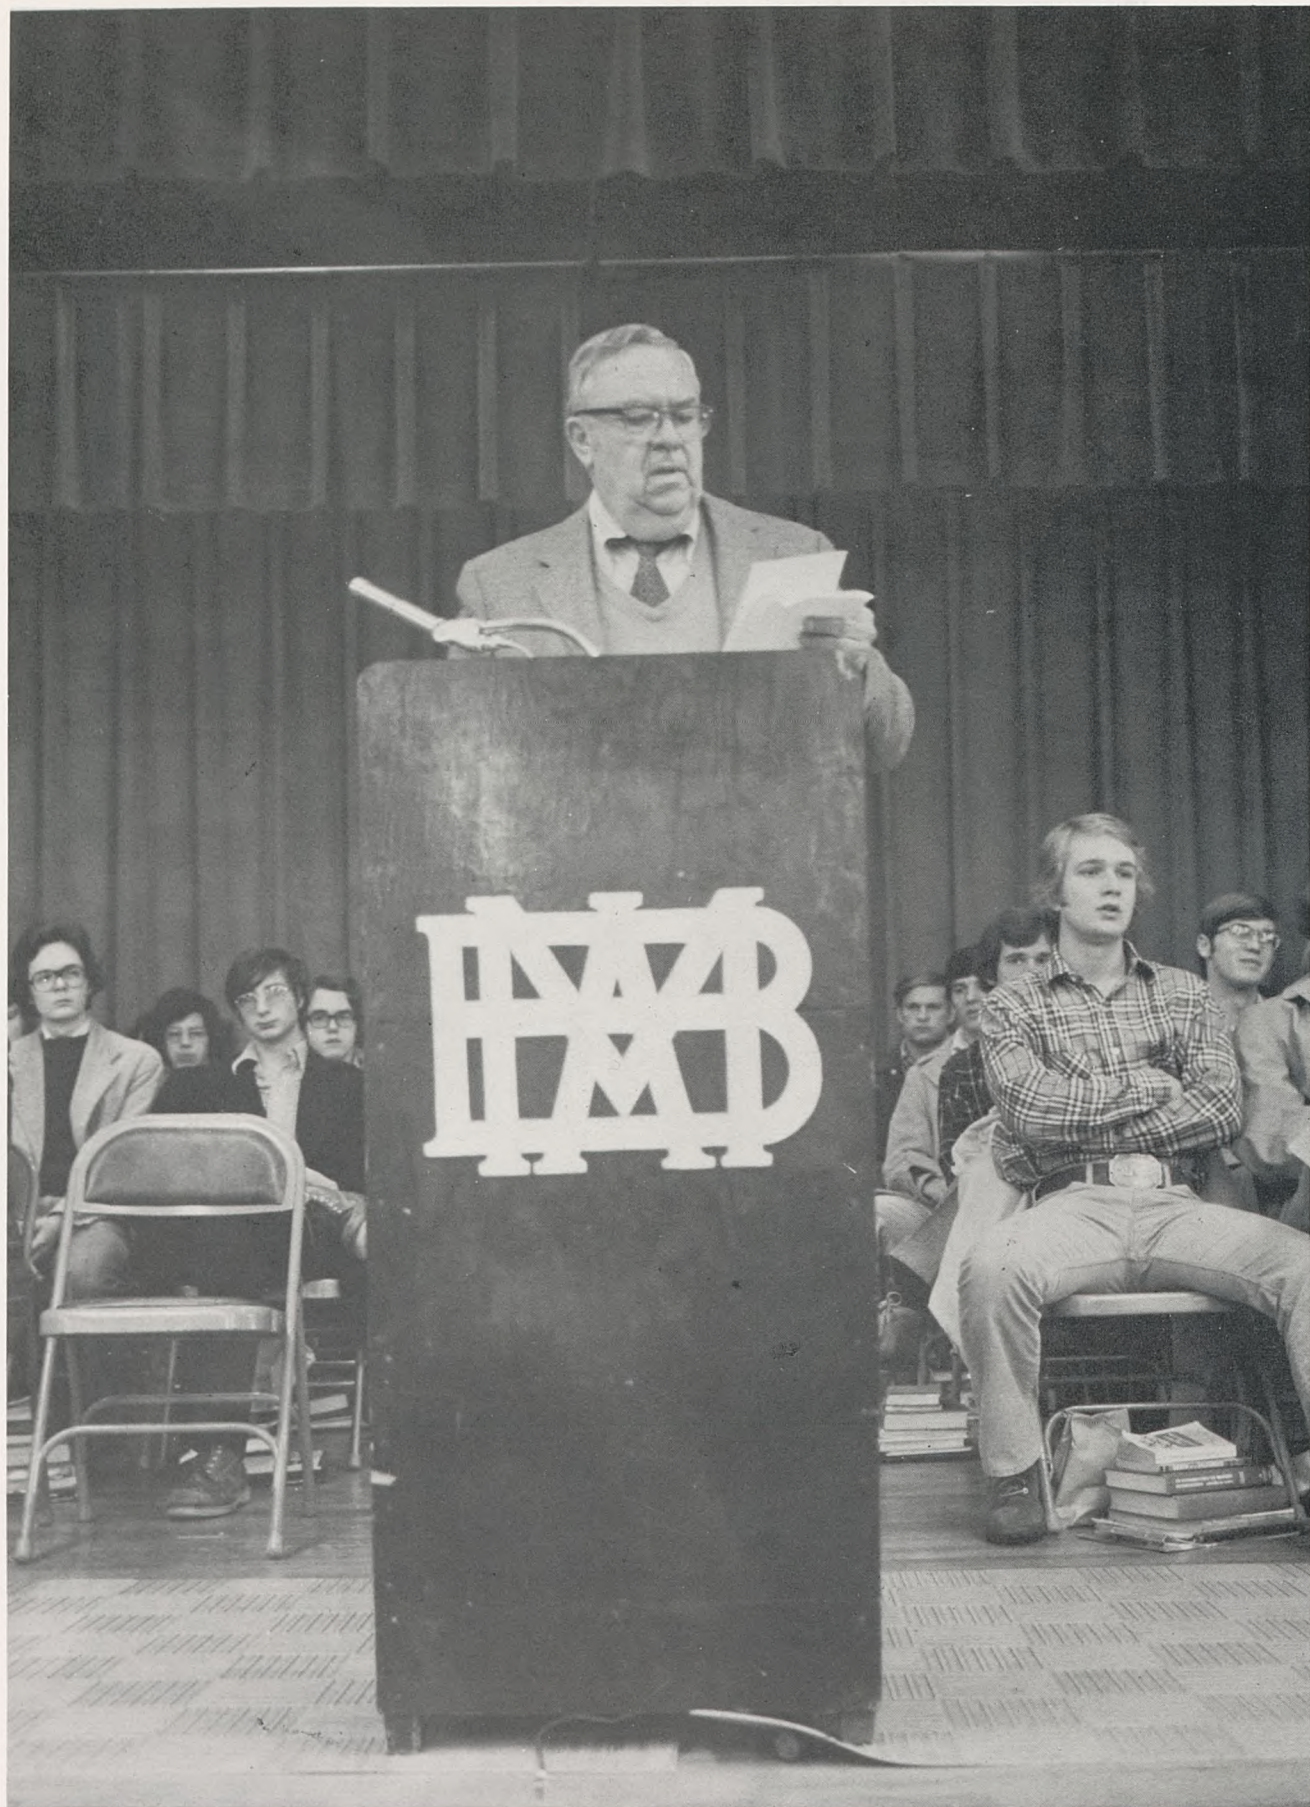

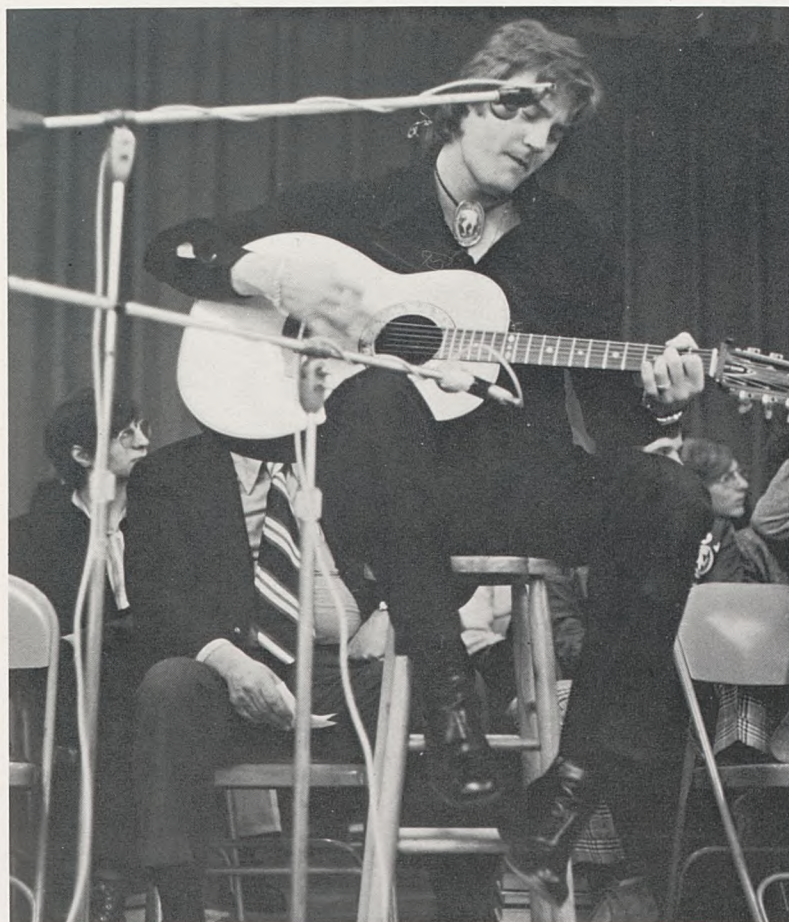

## ASSEMBLY

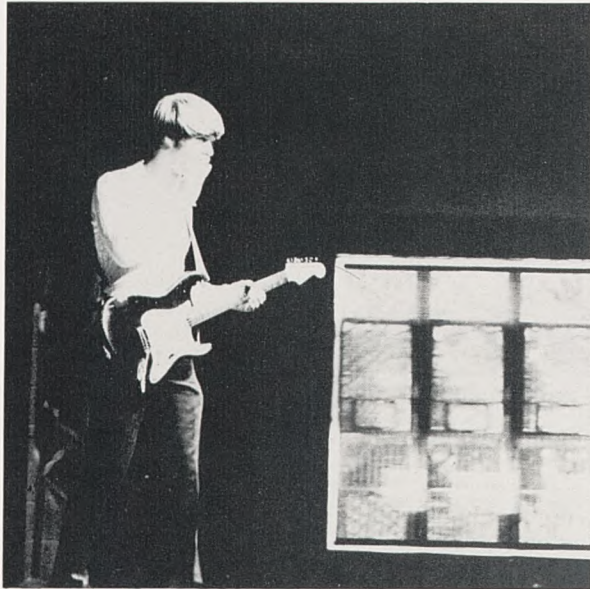

To bring guest speakers to the MBA student body; To provide a forum for the expression of views of both students and teachers; To provide a place for displaying various talents of MBA students; To facilitate communication among students, faculty, and alumni.

In order to achieve these objectives, the Assembly Committee, composed of six MBA students and forensic coach Mrs. Ridgway, has been working very diligently. Such speakers as Mr. Ron Medlin, a very outspoken faculty member; Mr. Wood, Director of Admissions at Vanderbilt University; and Mrs. Martha Ingram, an advocate of the Tennessee Center for the Performing Arts have appeared in assembly. Additionally, board members Dr. Thomas Frist of Hospital Corporation of America and John Sloan of Harpeth National Bank spoke to the student body. Mr. R.C.H. Matthews of Metro Center, Reverend Cortez Cooper, and Professor John Gibson of MTSU gave talks on their respective interest. Musical programs have included the MBA Chorus and Mr. Michael Shea of ASCAP with singer-composer Eddie Raven. One of the highlights was the appearance of Watergate attorney Fred Thompson. Santa Claus, of course, made his annual trip to MBA delivering presents to deserving seniors.

WAXLEY, L. G.

## Cheerleaders

## Seminars

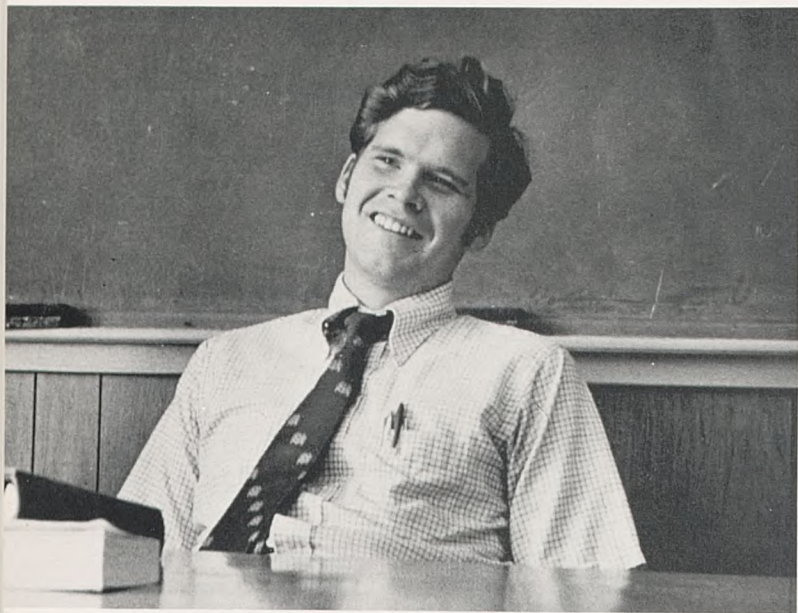

In an effort to further the student body's educational possibilities, seminars were offered for juniors and seniors of MBA and Harpeth Hall. Meeting bi-weekly, one seminar discussed modern educational theory while the other debated the legalization of marijuana. Both seminars were conducted by and consisted of interested students from both MBA and Harpeth Hall.

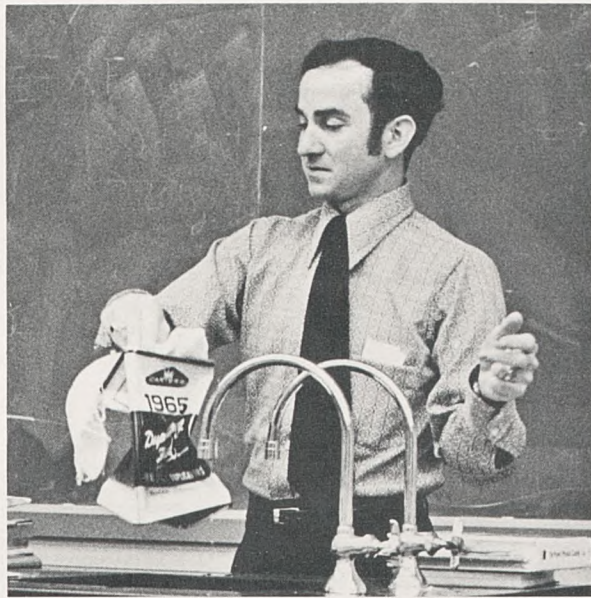

Each seminar was a viable means of student expression on important topics. Through the use of seminars, a cross section of ideas, both liberal and conservative, was placed before the groups. Such noted educationalists as Dr. John Wise of Peabody spoke to the seminar on education, and NORML and the metro vice-squad addressed the seminar on the legalization of marijuana.

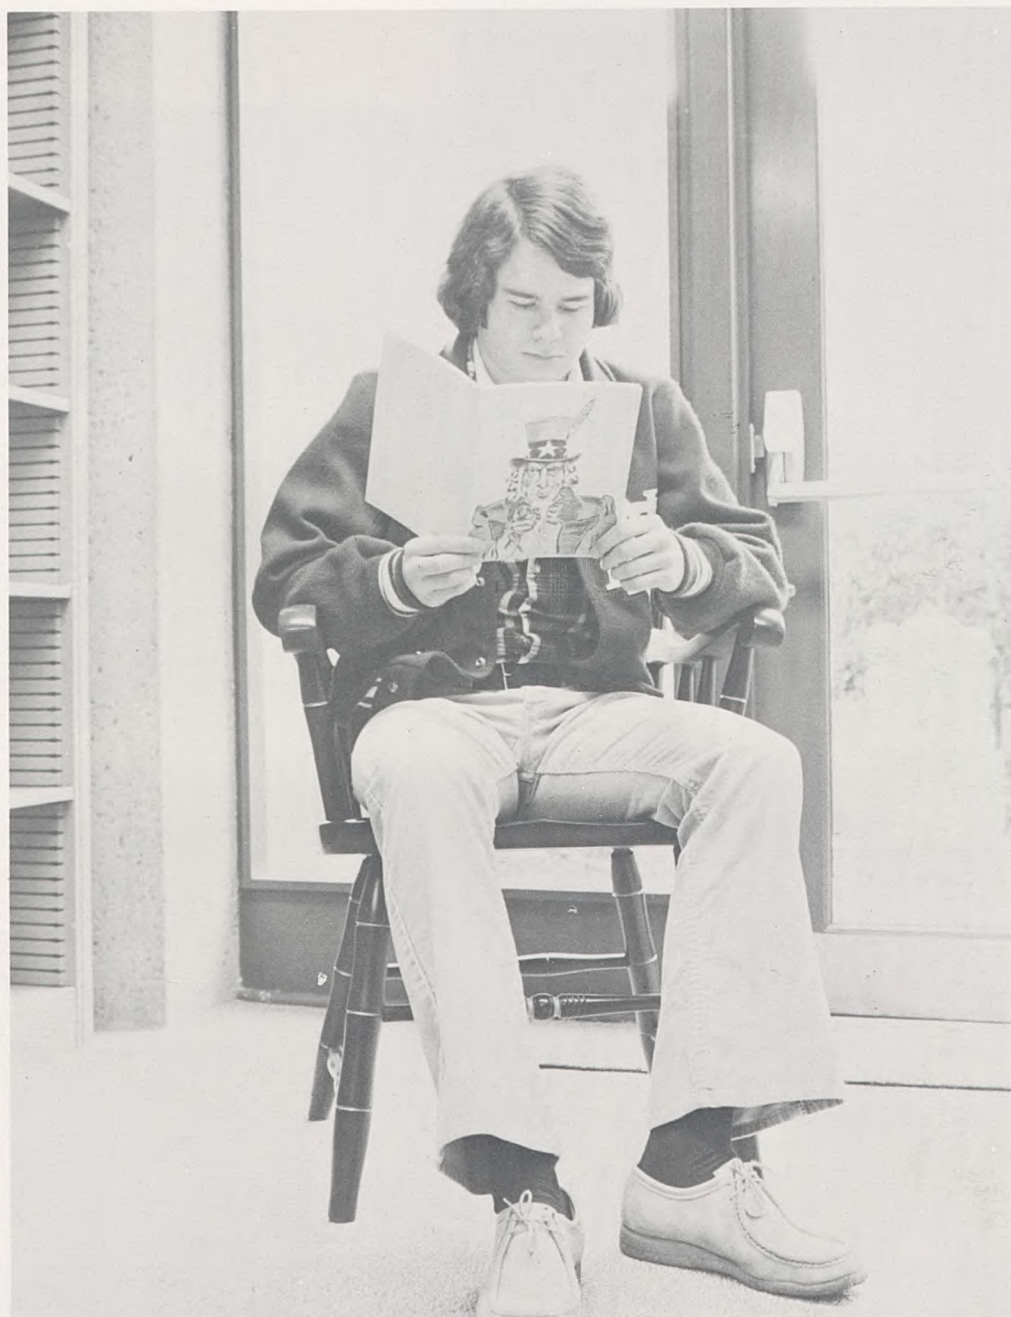

# XANADU

Founded only a year and a half ago, *Xanadu* became somewhat of an institution with a doubled output, refined layout, and entries covering a broader range of literary form. Senior editor Bobby Tosh and associate editor Oman Weiland, along with Mr. Walker, our indispensable faculty advisor, strove in Mauberley's tradition "to resuscitate the dead art" at MBA, encouraging writers to create, to perfect, and to create again.

—R.H.T.

# FELIPE

Yo nací en Bogotá el 20 de noviembre de 1957, mi padre es entonces oficial del ejército, Segundo Corrales y mi madre se llama Leonor de Corrales. A la edad de 6 años comencé mi vida escolar en el colegio Nuevo Gimnasio donde permanecí por 2 años luego entré al Liceo de la Salle donde he pasado casi toda mi vida escolar y he pasado varias etapas cortas de la vida, las experiencias en el colegio fueron muchas para mí, los deportes etc. y sobre todo lo que fui aprendiendo en cada materia, a través de los años.

Mi familia está compuesta por mis padres, mi Papa su profesión, Médico Veterinario, también dueño de una escuela de Equitación. Mi Mamá es ama de Casa y en sus horas de trabajo Administro su propia floristería es una persona muy activa. Mis hermanos son 4, 3 Varones, y una niña. Todos estudian. Mi hermano mayor ya está en la universidad, mi familia lleva una vida normal, muy similar a la de una familia Norte Americana como me he podido dar cuenta.

Mis actividades fuera de la vida escolar son muchas como distracciones, me gusta leer, ver cine, oír música y otras actividades que pueda tener con mis amigos en sociedad; como deportes mi favorito es la equitación pues llevo muchos años practicándolo. También me gusta jugar soccer, estos son los que más practico pero me gustaría desarrollar mis capacidades físicas desarrollando otros deportes.

Ahora estoy viviendo una de mis mayores experiencias en mi vida, estoy viviendo una vida diferente con una familia americana, es la familia Berry, Y he sido en ella corto tiempo que he estado aquí una gran experiencia cultural que me ayudará a madurar en el camino de la vida, encontrado diferentes costumbres, modos de pensar etc.

Mi familia aquí me vinculo en el colegio MBA si no es el mejor es de los mejores colegios en Nashville, un colegio que me gusta mucho desde que lo conocí por primera vez, los Directivos, profesores, y alumnos son personas muy correctas y muy amigables, es un plantel pedagógicamente más avanzado que mi colegio en Bogotá, claro que hay muchas diferencias en el Método de estudio de las diferentes materias.

Mis aspiraciones aquí son conseguir mayor cultura, en el colegio, con la gente, conociendo diferentes sitios, y una de mis mayores aspiraciones es aprender el idioma Inglés que es muy importante para mí y me va a servir luego en la vida.

# ADMINISTRATION

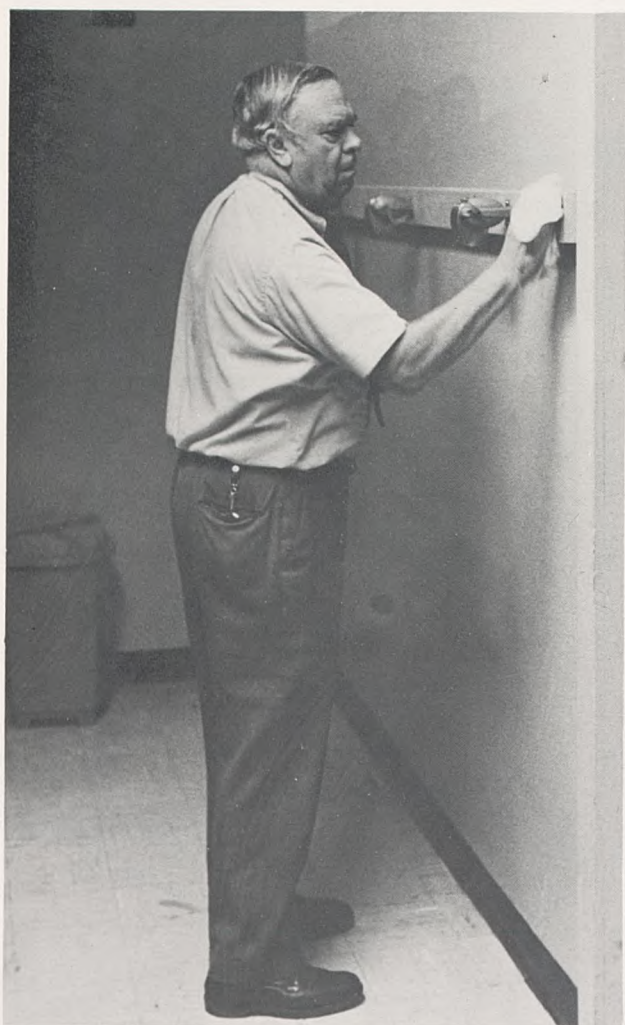

## MR. CARTER

The custom at MBA, whenever trophies or awards are won by teams or clubs, is to present them in Assembly "to Mr. Carter and the school." This practice may be curious—why are awards not given simply "to Mr. Carter," or "to the school," or "to Mr. Carter for the school"?

The reason for the present form is quite natural; for Francis E. Carter, Jr. and the "school" are often difficult to separate. In many ways, he represents the most fundamental ideals of the school: he is dedicated to classical scholarship; he takes great pride in athletic proceedings; he possesses a limitless capability for work; he assumes large responsibilities, and delights in them. And most importantly, he embodies MBA's great traditions of integrity, of gentlemanliness, of honor. Mr. Carter is a man of many roles. He is a teacher, although his presence in the classroom has been less this year than in the past. He is an administrator, who may be found writing college recommendations, or hosing garbage cans, or exhibiting the improvement of the school plant, or discussing attitude with a student. He is a husband, a father, and a grandfather. He is a planner, a dreamer. He is an upholder of the past, a driving force in the present, and a mold of the future of Montgomery Bell Academy.

For all the tradition still preserved at MBA, for the insistence upon excellence in all endeavor, for the energy and spirit of the embodiment of an institution—for these reasons, one says, "to Mr. Carter and the school."

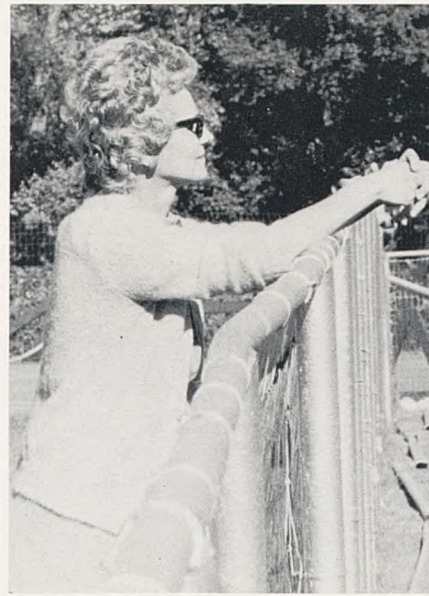

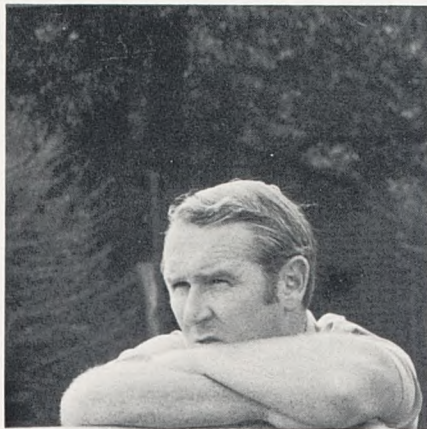

# FACULTY

Mr. Charles Alexander: Biology I, Biology II(AP), 9th Grade Sponsor

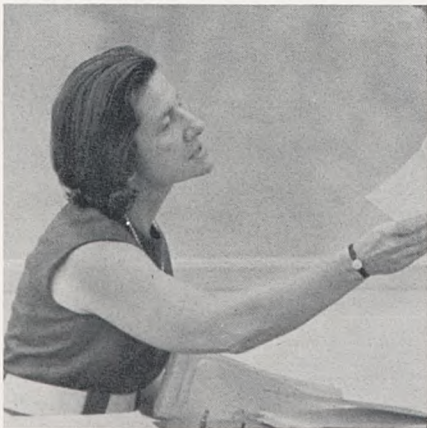

Mrs. June Bowen: 7th Grade English, Assistant to Headmaster (Junior School)

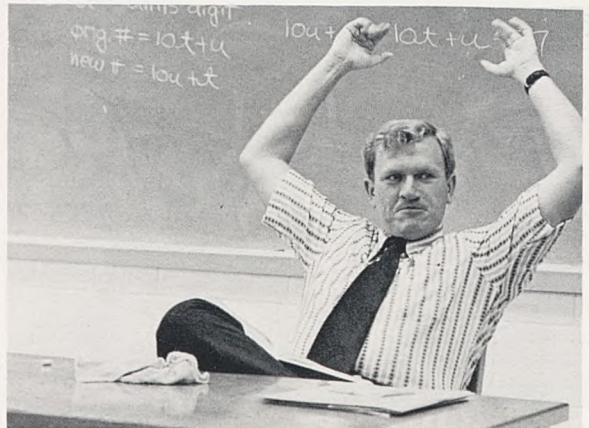

Mr. John Bennet: Algebra I, Algebra II, Director of Athletics, 11th Grade Sponsor

## ORGANIZATIONS

# STUDENT COUNCIL

Left to right—Lackey, Haynes, Stewart, Sawyers, Collins, Glazer, Friedman, Davis, McLaughlin, Scantlebury, Bell, Ownby, Regen, Hooker

The seventeen members of the Student Council are elected to accurately represent the true wishes of the student body. Ineffectuality is an insufficient excuse for any student government which cannot consummate these wishes. The programs which the 74-75 SC has completed were programs which were suggested by the students at the beginning of the academic year. A reevaluation of hair and dress codes resulted in the writing of a Hair and Dress Constitution to pinpoint rules and procedure. In reviewing the demerit systems of both the lower and upper schools, the Student Council adjusted discipline punishments; worked with the faculty; set itself up as a judiciary board to hear demerit disputes; and, most importantly, helped students with demerit oriented problems. A new program of combos and parties, highlighted by the famous hot punch and combo, was undertaken. The Student Council also instituted joint seminars with Harpeth Hall which covered such topics as education and the legalization of marijuana.

Although the outcome of all these programs was important, the most important contribution of this year's Student Council was its inter-communication with students and faculty. Class meetings, conferences with teachers, open council meetings, and speeches to the students were tools with which the Student Council worked. The Student Council hopes that this type of openness, which is indeed necessary for accurate representation, will set a precedent for future student government.

—Todd Scantlebury, President

# HONOR COUNCIL

Seated—Hodge, Civitts, Crawford, Scanlan; Standing—Reasons, Milam, Rebrovick, Baker, Smith, Evans.

Every student at MBA has the ability to discriminate between honest and dishonest behavior. The purpose of the Honor System is to create an atmosphere in which the student is strongly encouraged to act honestly. Lying, cheating, and stealing are considered violations of the Honor Code. Students suspected of such offenses are sent before the Honor Council, an elected body with members representing all classes. The Honor Council gathers information and decides what action should be taken in each case. It is this process which makes the MBA Honor System rather unique among high schools and preparatory schools, for enforcement of the code remains in the hands of student representation, not the faculty. Decisions of the Honor Council are designed not to hurt, but to help an accused offender. Expulsion results only when a student's repeated offenses indicate his lack of respect for the code and threaten to have a bad influence on other students.

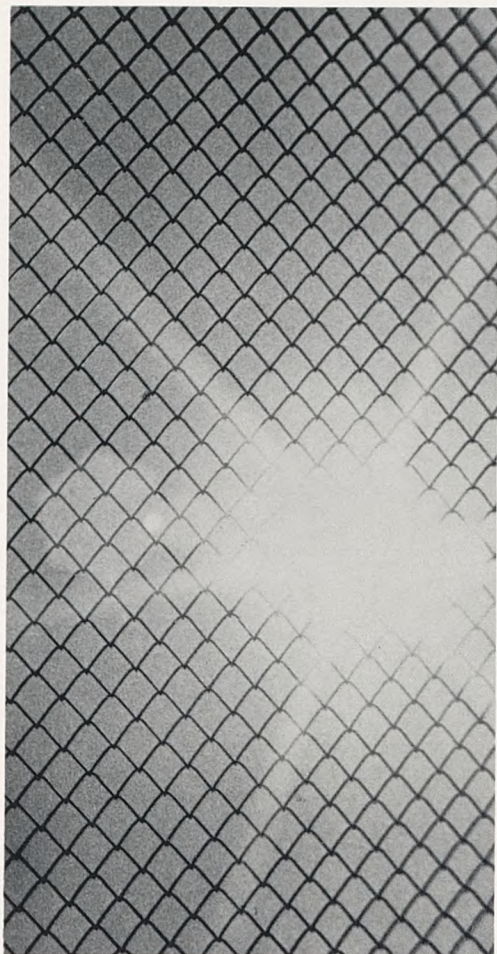

The Honor Council also has the duty of promoting a strong sense of honor throughout the school. Informative talks with new students and brief interviews with past offenders on probation help to limit the number of offenses.

By fostering a love and respect for honesty, the Honor system helps the students of MBA to recognize the benefits of honesty, and thereby, become more complete young men.

—Morgan Crawford, President

# BELL RINGER

This year's Bell Ringer was a successful publication despite the short supply of staff members. Under the leadership of editor Mitch Walker and associate editor Phil Ownbey, the paper accomplished its goals of eliminating stale news and of not issuing a two-page edition. The features staff, directed by John Rebrovick, deserves special credit for their untiring, responsible effort which brought the school such stories as The Poll and The Belle Meade Cop. Highlights of the year included successful competition in both the Tennessee High School Newspaper Contest and the Quill and Scroll national ratings.

—Frank Mitchell Walker

Ownbey & Walker

*Bell Ringer* General Staff: seated: DePriest, Landiss, Gibson, Shea; standing: Hucaby, Parman, Bishop, Olive, Hamilton, Allen, Howell, Witt, Heldman.

*Bell Ringer* Editors: seated: Englert (Business), Tosh (Arts); standing: Rayburn (Photography), Callaway (News), Milam (News), Rebrovick (Features), Chandler (Sports), Nelson (Circulation).

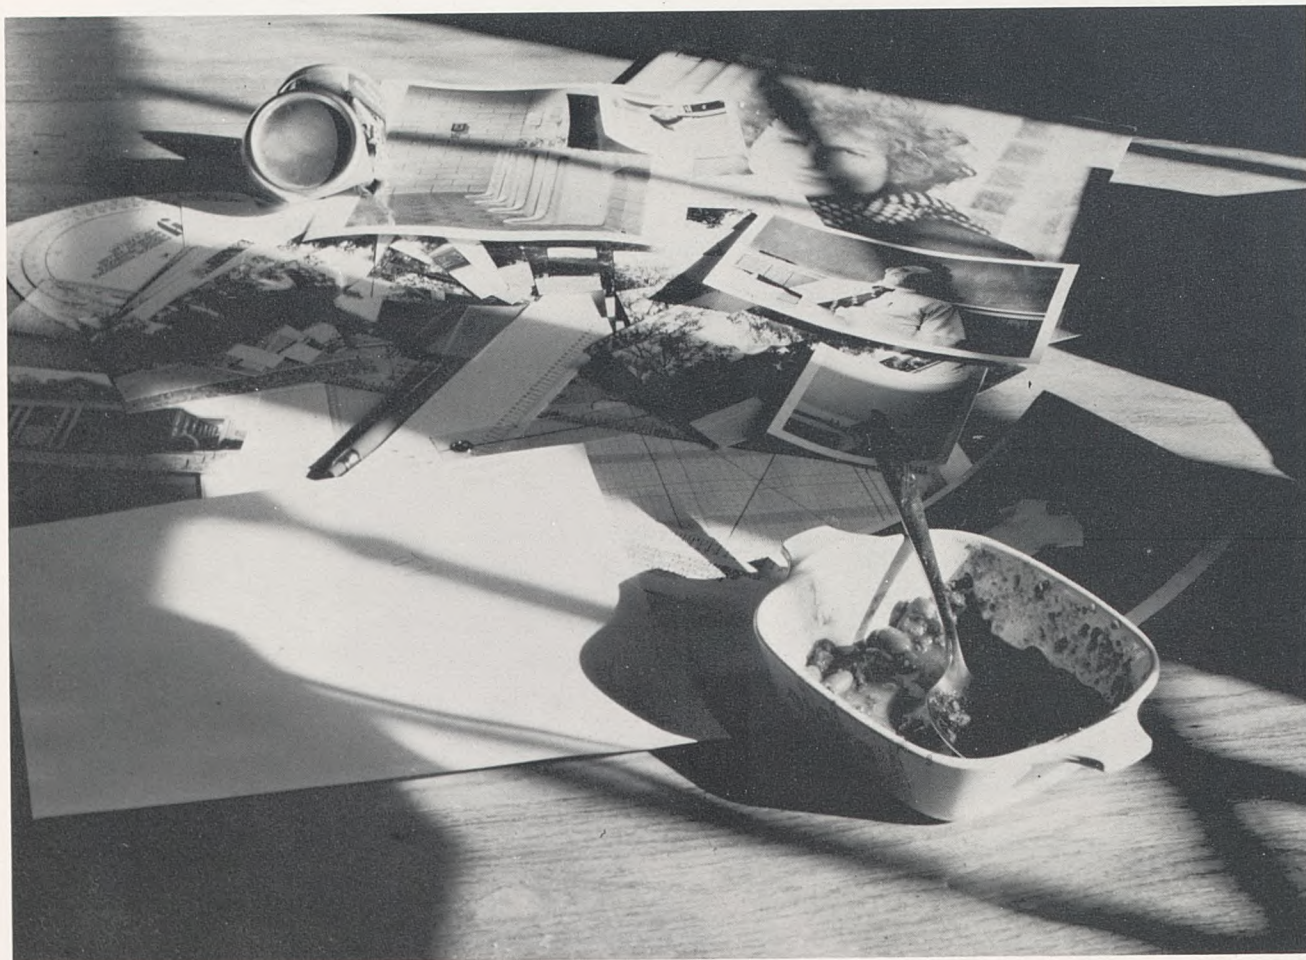

The editors will venture no comment on the aesthetic value of this annual.

We are indebted to the following: Alan Lequire, David Wells, Bob Tosh, and the elusive Features Staff, the Business Staff, Philosopher Joe Davis, Don Rollins, John Bond, Bill Rayburn, Mrs. Carter, and Mr. Benson. To those whom we have failed to recognize we apologize. We are still amazed at John Rebrovick, who not only took good pictures but organized them with an efficiency beyond our belief. Note should be taken that Ward Rogers typed almost every word on these pages.

Special thanks are due to Mr. Bob Dylan, without whom this book could not have been completed.

# DRAMA CLUB

The MBA Players continued to be a creative force on the Hill this year, as well as a vital part of student life. In recovering from last year's relative inactivity, the group occupied the Wallace Hall stage and a great deal of manpower with a large-scale production of the musical *Oliver!*, which played to near-capacity audiences during a four-day run in February. The players followed its success with May performances of one-act plays.

President Bob Tosh and Vice-President Mitch Walker were instrumental in drawing younger students into the drama organization. Also, the cooperation of the Chorus and of versatile pianist Bill Delvaux enabled our very capable advisor Mr. Poston to direct a musical with fine results. The technical crew, led by Rick Jewell on lights and Phred Phantom Enterprises, Inc. (Neil Wright and David Johnson) on set design, overcame demanding tasks with the smoothest professionalism. A growing number of underclassmen are certain to continue the excellent work of the MBA Players in the years to come. Among those contributing time and talent to the group this year were freshman John Olive; sophmores David Moench, Jay Hodge, and Nelson Griswold; and juniors Oman Weiland and Clinton Regen. Guy Marsh, Keith Davis, John Bond, and Bill Hodge provided the energies, the abilities, and the "senior leadership" to help make this year a very successful one.

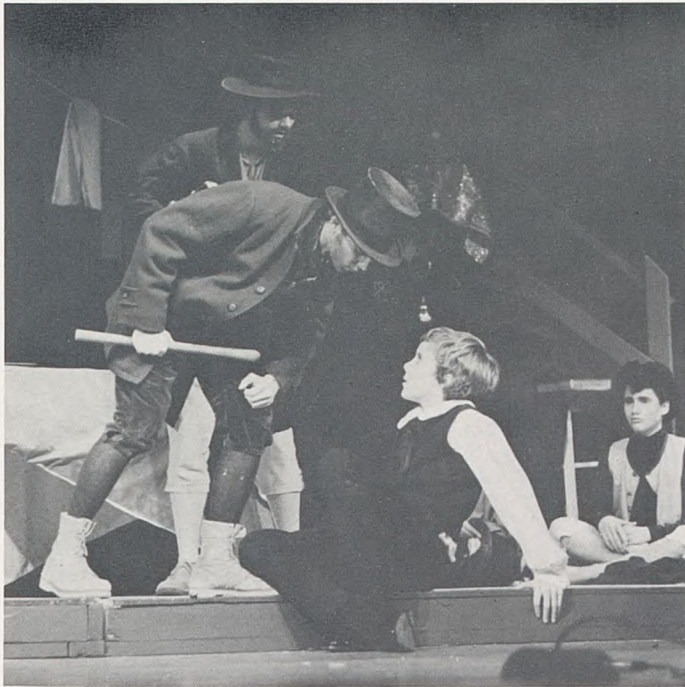

-RHT

Squatting: Moyers; seated: Davis, Weiland, B. Hodge, Tosh; standing: Walker, Jewell, Griswold, Bond, J. Hodge, Moench, Olive.

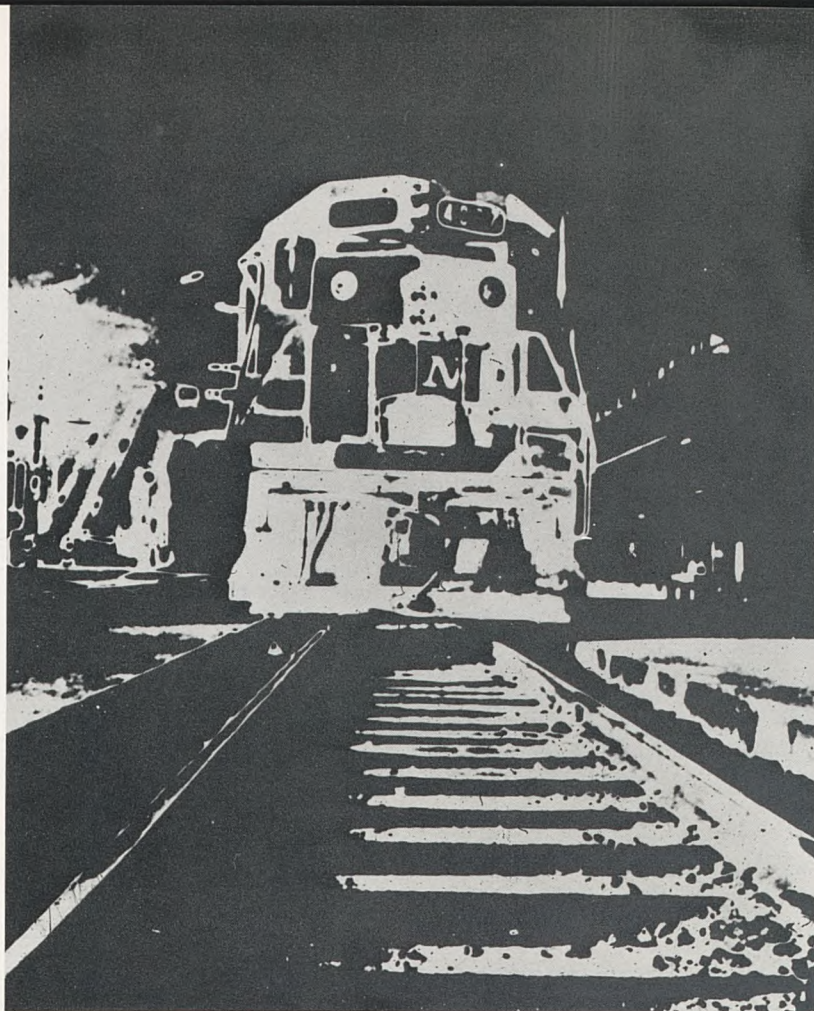

Under the direction of President John Bond, Vice-President Skip Woolwine, secretary-treasurer Bill Hodge, and faculty advisor Harold Crowell, the Photography club enjoyed another successful and enlightening year. During monthly meetings, the club learned the talents of proper camera usage, darkroom technique, and photographic composition.

In addition, members were required to prepare assignment on which they received criticisms essential in overcoming problems as a photographer. This year's photography program was climaxed by a photo exhibit and contest in the library.

—John Bond

Clockwise from center—DePriest, Hodge, Bond, Evans, Rayburn, Crouch, Lyne, Hucaby, Woolwine; extraneous—Cantrell.

## PHOTOGRAPHY CLUB

The MBA Chorus tackled the most diversified schedule of events in many years. Under the leadership of Senior President Keith Davis and Junior Vice-President Wilson Robinson, the Chorus presented its Christmas concert at MBA and at three neighboring schools. In the spring, the Chorus put on Gilbert and Sullivan's "Trial By Jury" with the Harpeth Hall Glee Club, as well as a separate spring concert. The group also presented its annual Commencement program. In addition, many members took part in the Dramatics Club musical "Oliver!"

We would like to extend our very sincere appreciation to first-year director Mr. Gerald Arthur, and pianist Mrs. Ann Bishop, both of whom devoted much of their time to the perfection of the group. With over two-thirds of its members returning next year, the Chorus looks forward to a promising future.

## CHORUS

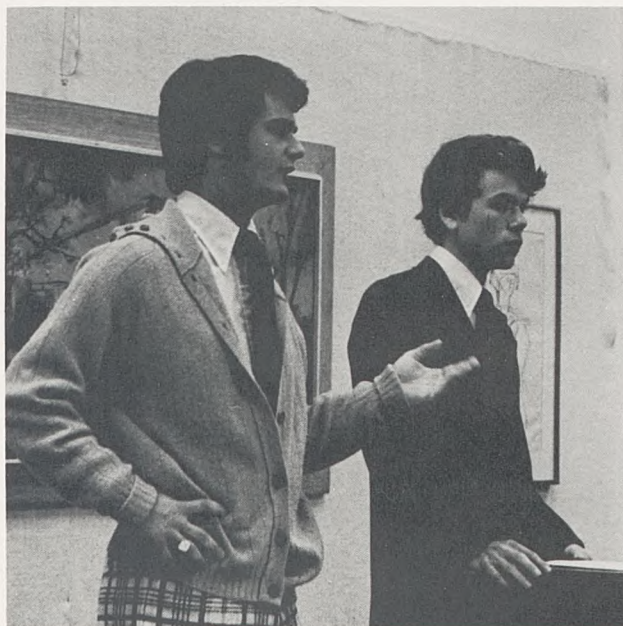

—Keith Davis, President

Front Row—Davis, Bishop, Archer, Weatherford, Hodge; 2nd Row—Smith, Delvaux, Glazer, McLaughlin, Rich, Whitson, Edmondson; 3rd Row—Rayburn, Moore, Hodge, Friedman, Robinson, Regen, Coble; 4th Row—New, Wieck; Standing—Batson, Bond; Seated on wall—Beasley, Seay, Olive, Linn.

# FORENSICS CLUB

The Forensics club provides the MBA student with the opportunity to participate in a wide variety of public speaking endeavors. This year, club members participated in debate, extemporaneous speaking, original oratory, and interpretative reading. Such experience helps develop logical thought, clear delivery, and self-confidence in public speaking.

Under the leadership of President Ward Rogers, Vice-President Glen Civitts, and Secretary Steve Eisen, the Forensics Club continues the tradition of excellence that has made it one of the most respected schools of the South in this field. Long hours of coaching by Mrs. Ridgway and the fine support given the club by the administration, Ladies' Auxiliary, and the Father's Club have contributed to the success of the program.

—Glen Civitts, Vice-President

Seated—Collins; Standing—Poole, Landiss, Armour, DePriest, House, Cohen, Civitts, Greene, Batson, Hawiger, Wood, Knish, Chazen, Zager, Eisen, Wallace, Gibson, Davis, May, Rogers.

## CHESS CLUB

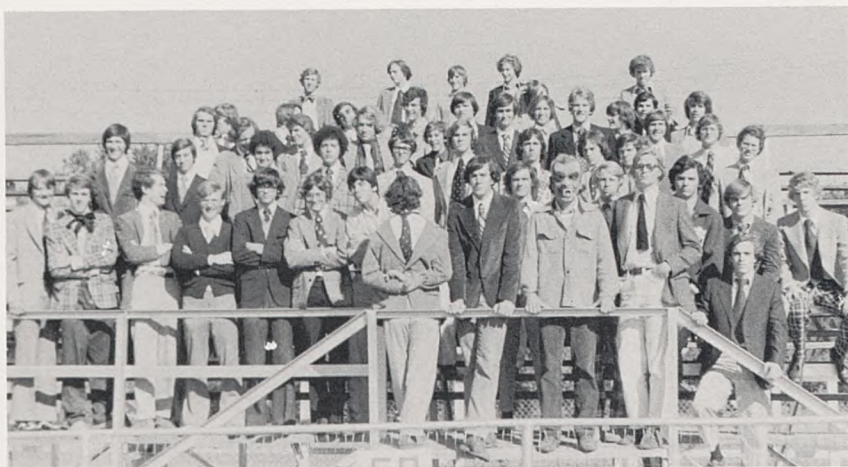

This year's Chess club, produced probably the finest results since the club's inception. The team won the Mid-State High School Championship and the Tennessee High School Championship, and finished second in the Southern

Regional High School Championships. The team was led by captain Bruce Stearnes who captured impressive third place showings in all three tournaments and by the consistent play of the other members who made up the team: Johnny Moore, Steve Ellis, Ed Knish, and Mark Ishee. There were many others who contributed to the club's success; and in an effort to allow all members to compete, intramural tournaments were held. In April, the team plans to play in the National High School Chess Championship in New York.

Left to right—Bell, Howell, Knish, Peerman, Gibbs, Ishee, Ellis, Moyers, Stearns, Keaton, Moore, Glover, O'Connor, Hicks, Crenshaw, Weesner; concealed behind—Hicks, Glover.

## CHECKER CLUB

The 1974-75 MBA Checker Club was a complete failure. Perhaps the highlight of the year for the club occurred when pictures were taken for the annual. There were two reasons for the failure of this club: (1.) student apathy towards playing their games in the tournament, and (2.) the student's realization that the round checkers kept in the trophy room could be hurled at fellow students in a mood of mild hilarity. The Triumvirate of Chris Friesinger, Nick Ganick, and George Hicks acted as presidents. Matt Reed and Bill Waterfield were co-vice-presidents. Secretary, George Fort; Treasurer, Hal Cunningham; Historian, Bob Peerman; Bartender (Chaplain), Bill Scales all were of immense help. Thanks should be extended to faculty sponsor Kirk Walker and the two members of the Checker Club at Harpeth Hall, Dede Johnston and Carolyn Thompson.

# GOURMET COMMITTEE

Row 1—Davies, Brown, Jewell; Row 2—Gillum, Beasley, Jones, Lipscomb, Stearnes, Hawkins.

"The Gourmet Committee for 1974-75 consisted of myself, President, Vice-President Reynolds Davies, Secretary Michael Farmer, and Treasurer-Adviser Rick Jewell.

"Contrary to popular belief, the purpose of the gourmet committee is not to regulate prices, which is completely out of our jurisdiction, nor is it responsible for any gastronomic disturbances that may result from the school's food; nor is the committee responsible for setting up a higher level of cuisine. Definitely, we would all like to see some good 'ol Southern downhome cooking; like matzoh balls soup, lox, bagels, corn beef on rye, etc . . . . but that alas, is also out of our jurisdiction.

"The purpose of this committee is to act as a liaison between the students, administration, and the food source: The Belle Meade Cafeteria. We welcome all reasonable complaints, and it is our responsibility to consider these complaints to satisfy the wants and needs of the student body. I would like at this time to differentiate between the food service and the actual school administration. The administration is not responsible for food matters. It offers a hot-lunch program only as a service to the student, and we are lucky to have a cafeteria where the choice of bringing your own lunch is offered . . . .

"I am pleased to end this report by saying that the food staff has no complaints regarding the student behavior in the cafeteria."

—Danny Brown, President, in an early morning address to the school.

## SERVICE CLUB

M.B.A.'s Service Club, consisting of selected students from the upper three classes, completed one of its most active and successful years by adding several new projects to its many traditional projects.

By selling key chains, candy bars, and M.B.A. mugs, the Service Club was able to make a substantial contribution to the school as well as fund a Christmas party for a small group of underprivileged children.

In addition to the fund-raising projects, the club painted the sitting benches on campus, cleaned out the library gutters, ushered at football games, collected admissions at basketball and wrestling contests, sponsored a canned goods and old clothes drive for the Ladies of Charity organization, and delivered Big Brother baskets at Christmas time.

Though the Service Club goes without much publicity, the contributions that this group makes are invaluable to both the school and the community. Perhaps the most significant aspect of these contributions is the opportunity that the club opens for the student body to get involved in charitable activities outside the society on campus.

—Jimmy Chandler, President

Left to right, row one: B. Duke, C. Stengle, J. Davis, B. Smith, D. Berry, J. Patterson, M. Crawford, B. Turney, B. Peerman, J. Parker; Row two: K. Davis, W. Morgan, D. Newman, J. Milam, P. Shell, J. Chandler, B. Hooker, C. Williams, G. Goertz, M. Anthony, J. Thoni, T. Hannon.

# BIG RED CLUB

The purpose of the Big Red Club this year, as in years previous and hopefully years to come, was to instill and maintain spirit, pride, and general dedication to MBA in the student body. The club this year grew to quite large proportions as for the first time the membership was made available to freshmen as well as grades 10-12. The club, along with the leadership of its faculty advisers Kirk Walker and Linda Seidler, even undertook an early money-raising project in selling Christmas candles, a first in the history of the organization. The officers of this year's club, president Gil Templeton, vice-president Bill Scales, secretary David Graves, and treasurer Ben Armisted, as well as Mr. Walker and Miss Seidler, are very grateful for the excellent student participation and hope that the spirit instilled in MBA this year will hold in us all for years to come.

—Gil Templeton, President

# F.C.A.

Row 1: Goertz, Parrish, Hawkins, Jordon, Jaques; row 2: Lawson, D. Hannon, Keaton, Harris, P. Wieck, Woodard; Row 3: Norling, Nichols, J. Hannon, Thoni, Moench, Mr. Jefferson; Row 4: Reasons, Smith, Tune, Newman, J. Wieck, J. Hannon.

The Fellowship of Christian Athletes is a national organization of athletes who are dedicated to living the Word of Christ and to being leaders in both church and community. The membership of the MBA F.C.A. 1974-1975 was extended to the Junior School so that interest in the F.C.A. would include younger individuals. Under the supervision and leadership of school director Jimmy Jefferson and District director Dee Margo, the F.C.A. had many school meetings throughout the school year. Speakers like David Lee, President of the F.C.A. at Vanderbilt, and Fred Fisher thoroughly entertained the F.C.A. members at some of the meetings. In addition, a fund-raising project by the organization resulted in the numerous MBA wool hats seen on campus. This was one of the finest F.C.A. groups ever assembled at MBA.

# MERIT FINALISTS

Left to right: Davis, Flygt, Knish, Nelson, Cantrell, Crawford, Civitts, Davis, Scantlebury, Tosh, Hicks, Walker, Bell.

Representing less than one-half of one percent of the nations graduating high school seniors, the Merit Finalists comprise a group demonstrating high potential for college achievement. Qualifying juniors for this award is the PSAT/NMSQT test administered during the fall.

The class of 74-75 yielded 13 Seniors to receive this award. The senior class also had the highest number of Semi-Finalists in the school's history: 17.

# SONS OF ALUMNI

Left to right: Bennett, Cragon, Hawkins, Dale, Brown, Howell, Harrison.

# HONOR SOCIETIES

Senior Society: Flygt, Bell, Ownby, DePriest, Howell, Davis, Collins, Maxwell, Englert, Milam, Schull, Williams, Sawyers.

Membership in the Senior Honor Society requires three consecutive semesters of a ninety average; membership in the Junior Society demands three semesters' average of ninety. Less than 5% of the student body become members of either society.

Junior Society: Galloway, Anderson, Poole, Milam, Armour, Howiger, Wallace.

# TOTOMOI

To become a member of Totomoi is the highest honor that an M.B.A. student can achieve. Faculty, alumni, and friends who have served the school may also be selected for membership in the honorary fraternity.

Totomoi was founded by Dr. R.L. Sager in 1954 to promote and recognize the development of the M.B.A. student in all activities and traditions of the school.

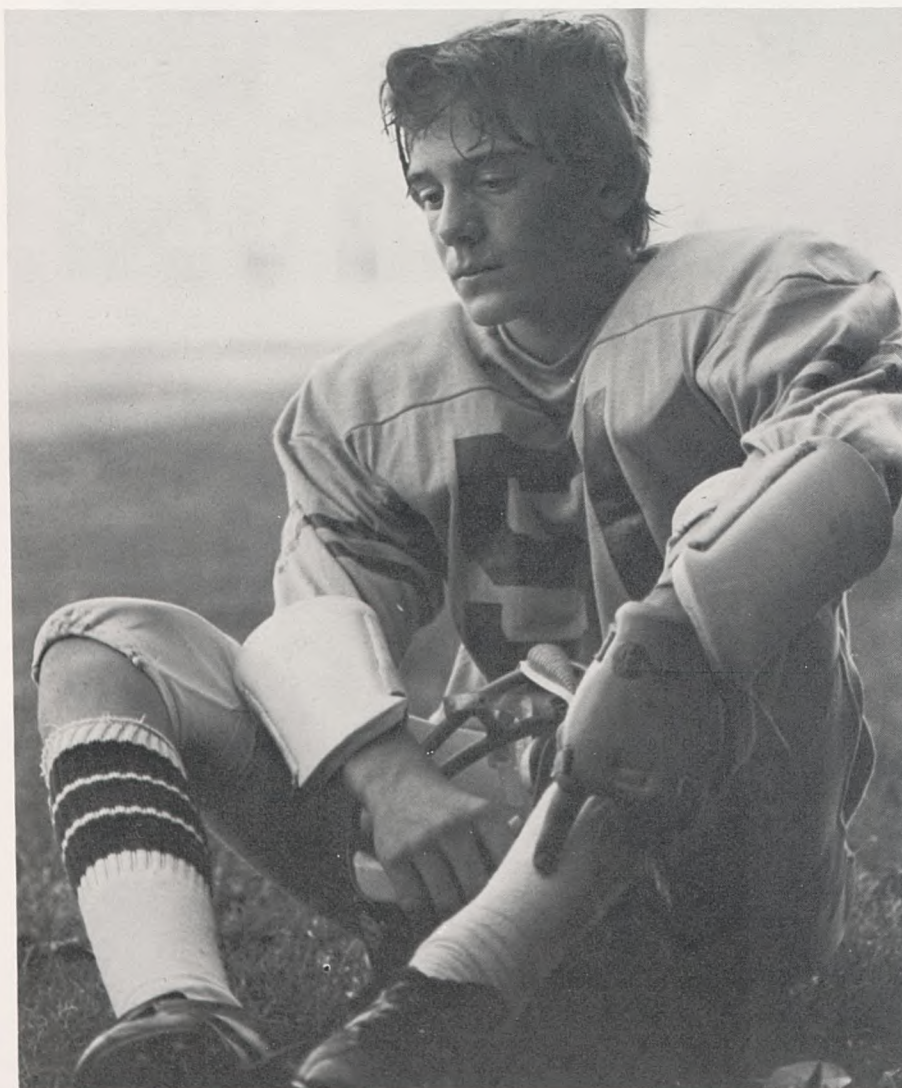

Membership is awarded on the basis of a point system which requires excellence in at least three of the following fields: scholarship, athletics, student government, organizations, forensics, dramatics, and citizenship. Points are given in recognition of length of service, achievement, and leadership in these areas. Students chosen must have demonstrated loyalty, love, and respect for the school, its principles, and its goals.

Jimmy Chandler, Keith Davis, Ward Rogers

## SPORTS

Most MBA students participate in some sport which requires very much time and effort. It may seem absurd that young men willingly engage themselves in so violent a sport as football or in one so demanding of perfect conditioning as basketball or track. And who would expect anyone to volunteer for the soccer team which spends its season slogging through the mud and ice of the cold winter months? There must be a purpose behind this apparent foolishness . . .

People have a natural desire to join their fellows in some unifying activity, and they enjoy the sense of unity which can be achieved through participation in team athletics. Team athletics is an exercise in the formation of unified and disciplined groups of people to which each person is able to make a unique contribution because of his individuality. Athletes benefit from making sacrifices for their teams and from learning how to understand and accept their comrades' sacrifices. A successful team is one in which this ideal system of give-and-take exists.

# VARSITY FOOTBALL

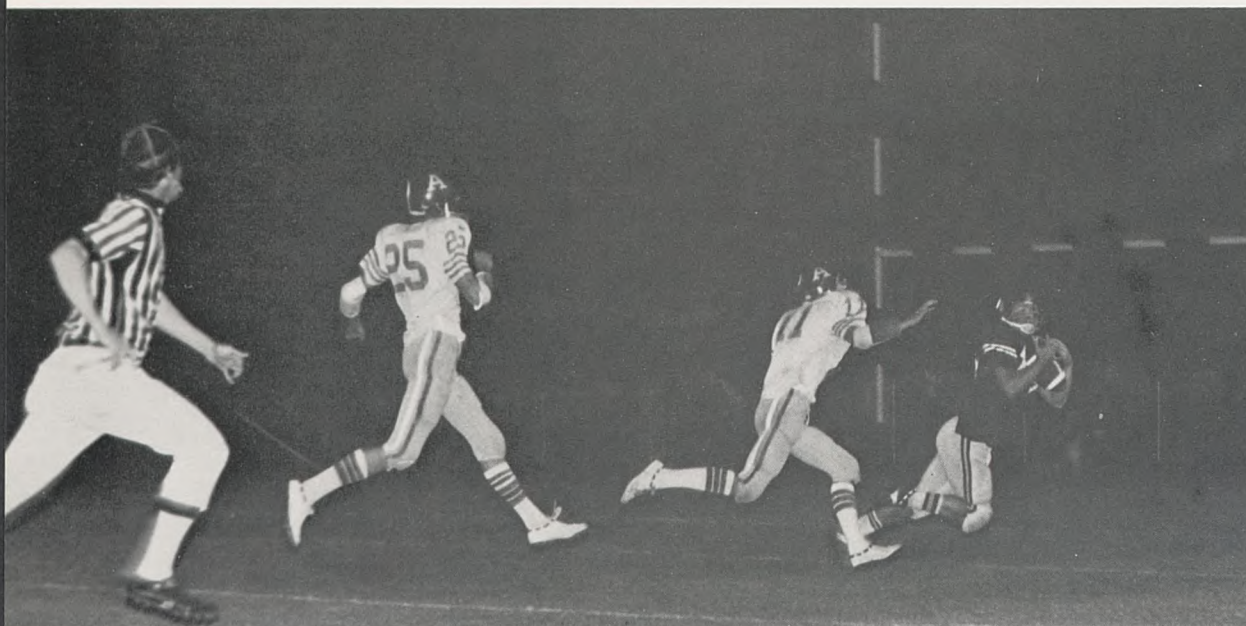

First Row: Wright, manager; Baldwin, Tune, Kirkpatrick, Smith, Duke, McWhirter, Geortz, Hodge, A. Moore, Lackey, Wallace, Hannon, Neil, Batson, manager; Second Row: Johnson, Reed, Hill, Luplow, Tennison, Bull, Reasons, Gaddes, Chandler, Davis, Milam, Orr, Scanlin, Jacques, McClellan, trainer; Third Row: Coach Ramsey, Coach Ridgway, Woolwine, trainer; Newman, Maddux, Bogle, R. Moore, Weiland, Rappuhn, Ralston, Edmondson, Marsh, Harris, Burch, McClure, Regen, Parker, Coach Jefferson, Coach Buck

M.B.A.'s 1974 Varsity Football Team finished its season with a 6-4 record under head coach Ray Ridgway, who was ably assisted by coaches Ramsey, Jefferson, and Buck.

M.B.A.'s hopes for an undefeated season were ended early in a 23-7 defeat by Overton. M.B.A. had little success running the ball. Although it gained 130 yards for the night, Harris' passing attack was too intermittent to threaten the Overton defense. Gerry Goertz made a heroic punt return, picking up blocks from Jimmy Chandler, Bill Hodge, and Barry Gaddes for M.B.A.'s only score.

M.B.A. made many frustrating mistakes in their 17-14 loss to Hillsboro. Bill Scanlan and Lon Tennison played well on defense, but the offense was too shaky to make the steady drives needed for a victory.

M.B.A. came back with a strong defense led by Guy Marsh and good running by Gerry Goertz and Steve Burch against Stratford. Harris kicked a field goal in the last play of the first half to give M.B.A. its three point margin of victory.

M.B.A. won an important game in beating previously undefeated Pearl 27-0. Harris' 143 yards passing aided the M.B.A. offense as Harris, Goertz, and Matt Reed scored.

M.B.A.'s homecoming victory over Antioch was the high point of M.B.A.'s season. M.B.A. was behind until late in the fourth quarter when a critical pass from Harris to Goertz set up the winning touchdown, making the score 22-17. Steve Burch had an excellent 118 yards in 13 carries. The line really deserves credit for this victory, for they blocked well and helped contain Antioch's explosive running backs.

After a weak first half, M.B.A. started playing well in their 19-0 victory over Hillwood. Led by Gerry Goertz and Joe Davis, M.B.A.'s offense concentrated on running the ball during this game.

M.B.A.'s lack of consistent toughness became apparent in their 14-6 loss to B.G.A. The team did give effort, but they could not stop BGA's offense well enough; M.B.A.'s offense never got started.

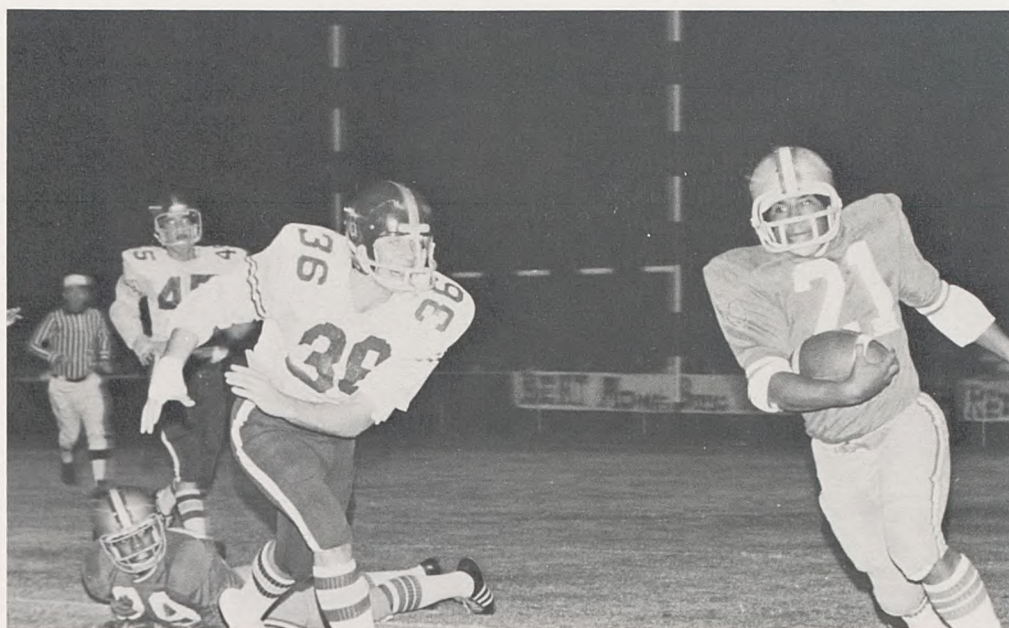

It was not until the second half that M.B.A. started playing well against East. Steve Burch and Joe Davis ran well, and Mike Ralston made some important receptions as M.B.A. won 26-7.

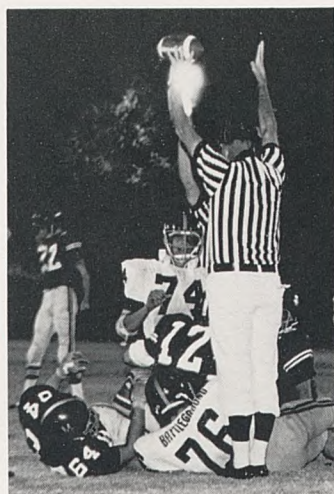

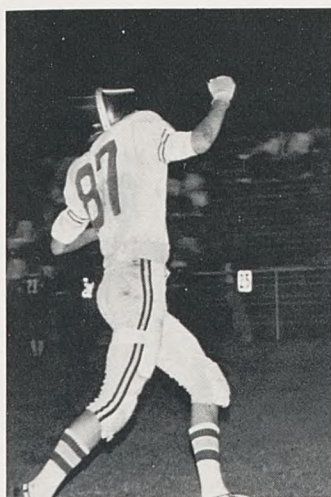

M.B.A. was punished by Ryan, 48-0. The offense could not sustain a drive all night, so Ryan had the ball for most of the game. The break-away power of Ryan's offense was convincingly demonstrated by the fact that safetyman Johnny Parker was forced to make six unassisted touch-down-saving tackles.

The Big Red closed its season with a 47-6 victory over Old Hickory Academy. M.B.A.'s junior varsity was fortunate enough to play about as much as the starters did. Next year's team returns many experienced players who will be looking forward to avenging this year's losses and following up on this year's victories. There seems to be in the juniors and sophomores a lot of determination which could unite them next year as a very effective fighting force.

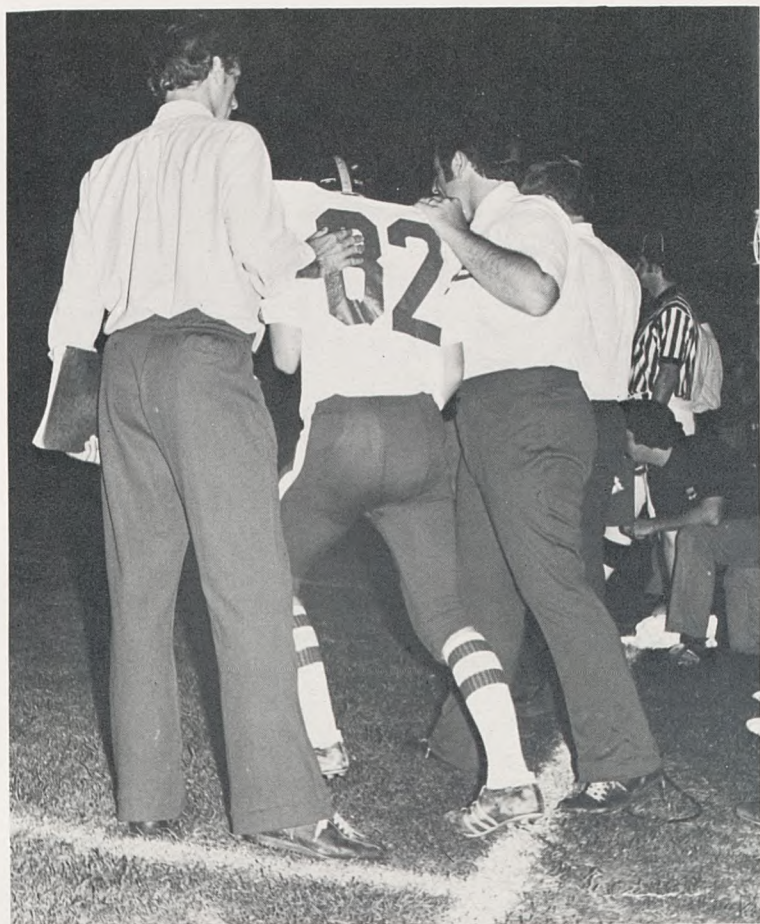

General statistics: Clint Regen had 54 tackles and 33 assists. John Hill had 49 tackles and 29 assists. Jeff Rappuhn won the scrounger chart. Marsh and Ralston were All Western Division. Ralston was second team All State and Marsh was honorable mention All State. Gerry Goertz had 557 yards in 105 carries while Steve Burch had 450 yards in 75 carries.

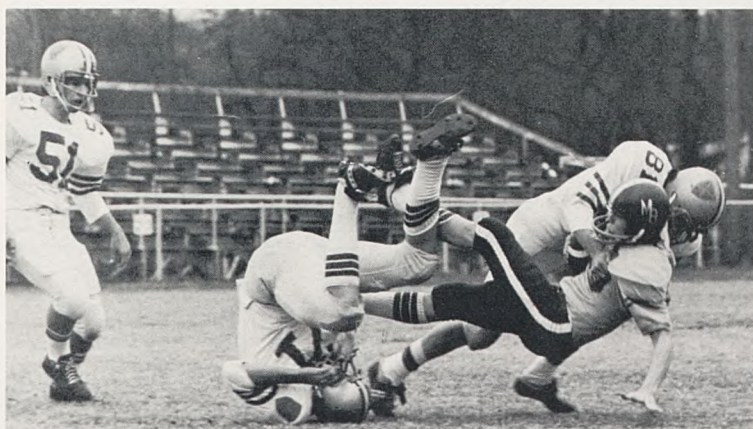

# JUNIOR VARSITY FOOTBALL

The 1974 Junior Varsity Football Team under coaches Buck and Jefferson compiled a 2-3 season. M.B.A. lost the first two games to Overton and Hillsboro, but the team warmed up to win 14-0 against Stratford. The offense executed well, and the defense held the Stratford team. M.B.A. played B.G.A. next, losing because of several fumbles and weak defense.

For its last game of the season, the M.B.A. Junior Varsity beat Ryan 6-0 in a very spirited game. Good performances by quarterback Don Orr and halfback John McWhirter gave M.B.A. the yardage needed to defeat Ryan.

The offensive leaders of the Junior Varsity were John McWhirter, Mickey Tune, Rick Jacques, and Raymond Lackey. Defensive leaders were Rol Luplow, Don Orr, Clay Whitson, Alan Reasons, and Bill Smith.

The Junior Varsity players received the experience that is necessary for their future on the Varsity Team.

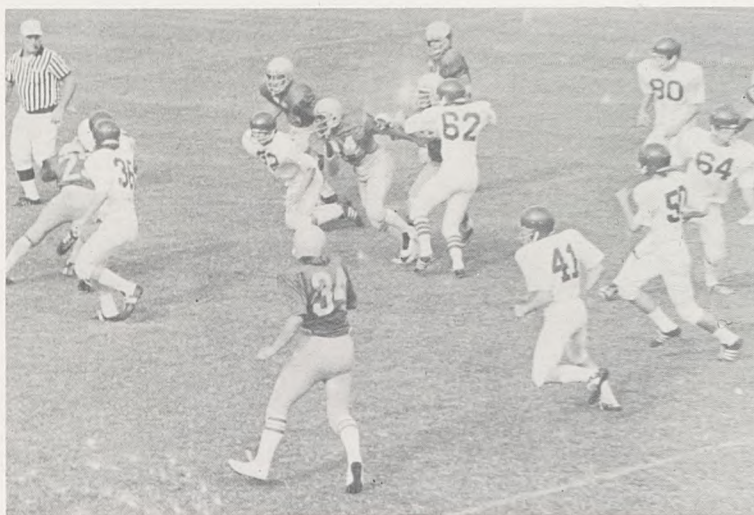

First Row: Richards, McWhirter, Elliott, Lackey, Milam, Moench, Dale, Hannon, Kirkpatrick Second Row: Luplow, Orr, Bull, Smith, Bogle, Tune, Baldwin, A. Moore, Phillips, Jacques, Reasons Third Row: R. Moore, Robinson, Newman, Wilson, Beasley, McClure, Jackson, Lassing, Whittier, Whitson

# FRESHMAN FOOTBALL

The 1974 Freshman Football Team had an overall record of four wins and three losses. The team opened its season by losing well-fought games to Apollo and Cameron. The Freshmen then bounced back with four straight victories against Hillwood, Moore, Rose Park, and arch-rival B.G.A. The high point of the season was the 14-12 win over B.G.A.; both of M.B.A.'s touchdowns were made on passes from quarterback Robert Holland to Pete DeLay. In their last game of the season, the Freshmen were defeated by a strong McMurray team. The Freshman Team was led offensively by Johnny Dicker and Jack Patterson; defensively by Bill Hawkins, Greg Simpson, and Mark Sullivan. Pete DeLay and Robert Holland also made valuable contributions to the team.

First Row: Duffey, Griffin, Turner, Nelson, Smith, Zeitlin, Pinder, Foster, Baker Second Row: Linn, Russell, DeLay, Hobbs, Hawiger, Hitt, O'Neal, Burrus, Parker, McIntosh, Miles, Dicker, Hase, Owen Third Row: Coach Harkey, Coach Caldwell, Irwin, manager; Haynes, Sullivan, Holland, Hawkins, Simpson, Patterson, Stumb, Smith, Norling, New, Crenshaw, Binkley, manager; Coach Medlin, Coach Lellyett

# MICROBE FOOTBALL

The Microbe team, coached by William Compton, compiled an impressive 5-1 record this year. After losing their first game to Brentwood, the Microbes came back to win five consecutive games, including two victories over B.G.A. and an exciting 12-6 overtime victory against Northside. The team played its best game against Franklin Road Academy, beating them 18-0. Wingback David Duke, who scored 8 touchdowns, and quarterback Andy Massey, who threw for 8, were outstanding on offense. Defensive standouts were Richard Smith, Mark Levan, Vance Wheeler, and Trey Alford. The 1974 Microbe squad was a credit to the school and probably will remain so in the coming years.

Row 1: Alford, Coleman, Latimer, Derryberry, Woodroof, Mills, Moore, Turner, Herbert Row 2: Gross, Martindale, Massey, Wheeler, Riegle, Harrison, Cragon, Rose Row 3: Huddleston, Bowers, King, Cohen, Horton, Ferguson, Davis, Berry Row 4: Regen, Taylor, Duke, Nichols, Freeman, Fort, Crow, Durham Row 5: Frost, Wieck, Dale, Orr, Smith, Levan, Pierce, Seay

# CROSS COUNTRY

This year's cross country team was an experienced, Senior-dominated group that continued the reputation for good cross country that M.B.A. has won in recent years. Led by Captains Scott Wells and Johnny Schaffner, the team posted a 6-4 regular season record in wins over perennial rival B.G.A. and the team that eventually finished third in the State, Dupont. The team also scored well in invitational meets.

In the Regional Championship M.B.A. placed fourth out of all the teams in Middle Tennessee, the best finish ever for a Big Red cross country team. The three teams that defeated M.B.A. went on to finish 1-2-3 in the state.

Outstanding individual performances were consistently recorded by Scott Wells, who set new school records on almost every course that he ran. Well's time of 15:28 over the Shelby Park layout is the best time ever for an M.B.A. runner over a three-mile course. In addition, Schaffner, Ken Witt, Chris Friesinger and Brion Friedman rounded out the first five; Witt, Friedman and Billy Anderson offer the nucleus of a first-rate team for the future.

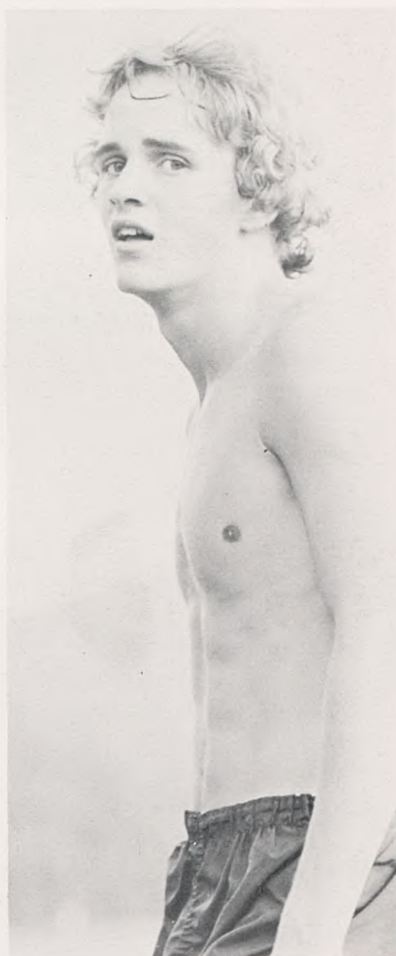

Left to right; front row, Ed Archer, John Schaffner, Scott Wells, Jeff Glazer—Back row, Billy Anderson, Dave Mahanes, Kirby Davis, Chris Friesinger, Steve Ellis, Ken Witt

Microbe  
Cross Country:  
H.V.A.C. Champions

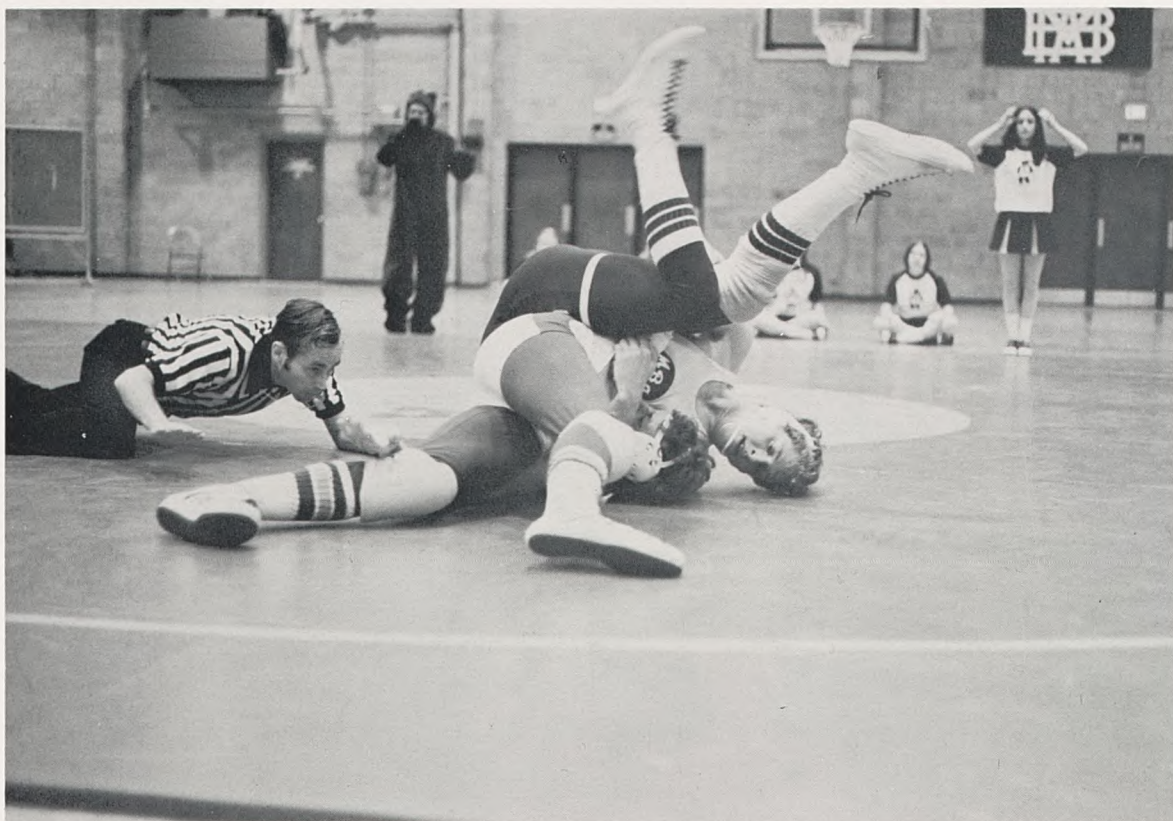

Kneeling: G. Brown, T. Ayers, J. Treadway, J. Shaw, W. Brown, J. May, J. Dickerson—  
Standing: E. Groos, D. Derryberry, F. Smith, B. Nichols, T. Swystun, S. Bruel, S. Wood, S. Glasgow, S. Selby, B. White (not pictured: G. Cheig)

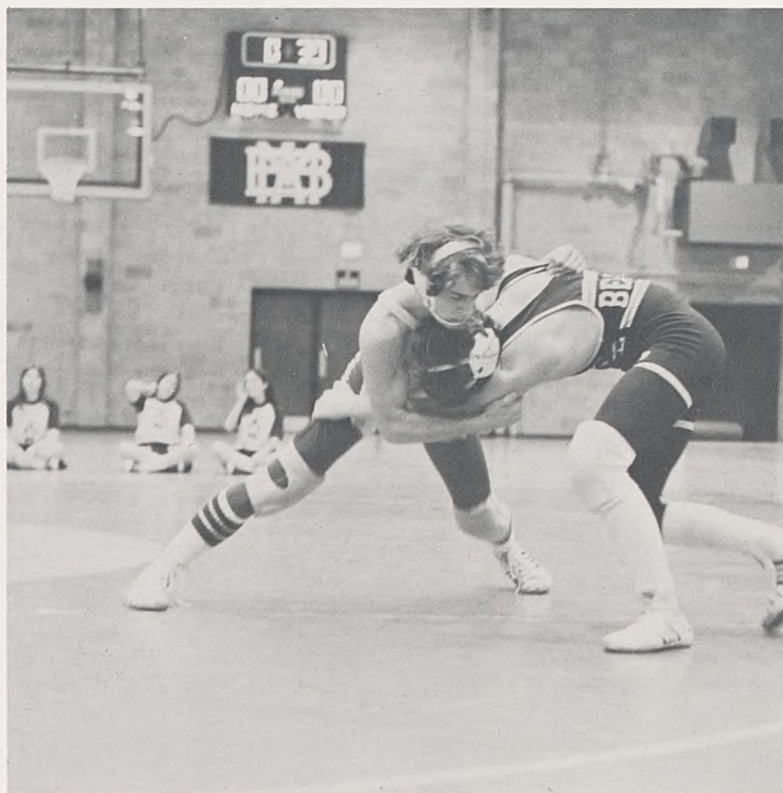

# WRESTLING

Under the leadership of new head coach Danny Buck, the wrestling team finished its season with a record of four wins and six losses.

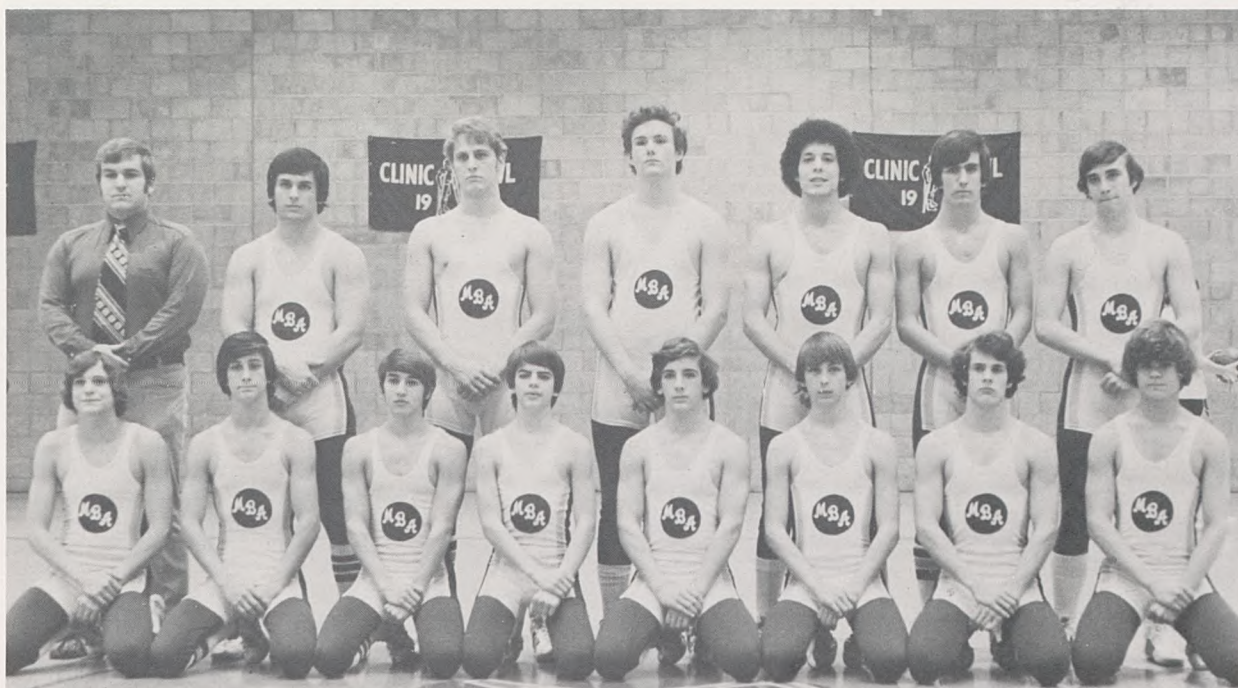

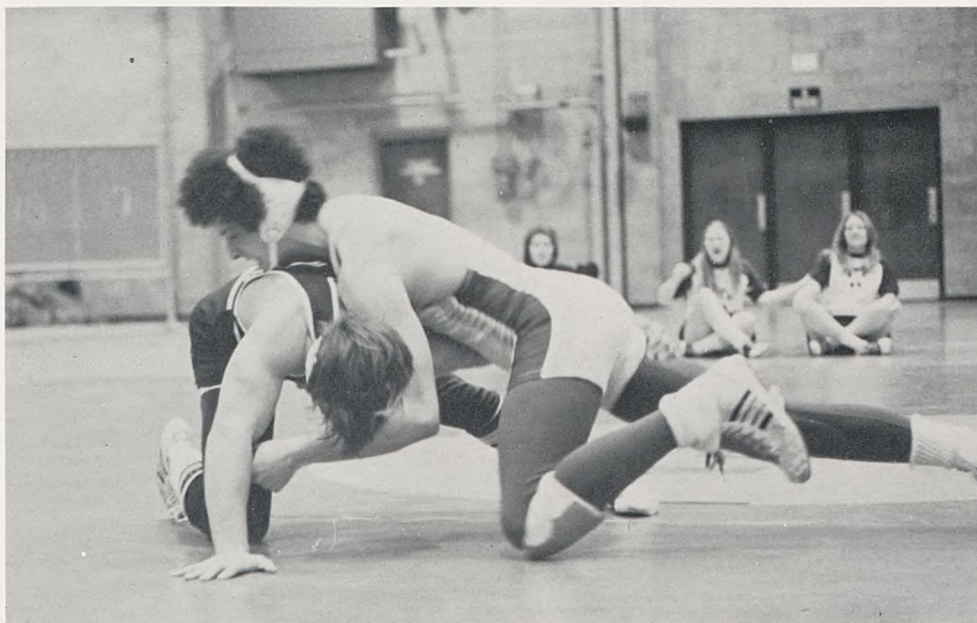

After crushing BGA 54-9 in the opening match, the MBA wrestlers dropped two consecutive one-point losses to Glencliff and Clarksville. The Big Red next lost to Ryan, but then rallied to upset McGavock 31-17. Following two close losses to Hillwood and Antioch, the wrestlers ended their season well defeating Franklin 32-17.

In tournament competition, MBA achieved commendable amount of success. In the Overton Invitational, Freddy McLaughlin and Clay Whitson placed second; Bill Scanlan captured third, and Jerry Patterson finished fourth. Bill Scanlan also placed third in the Hillwood Invitational. The Big Red wrestled well in the District Tournament,

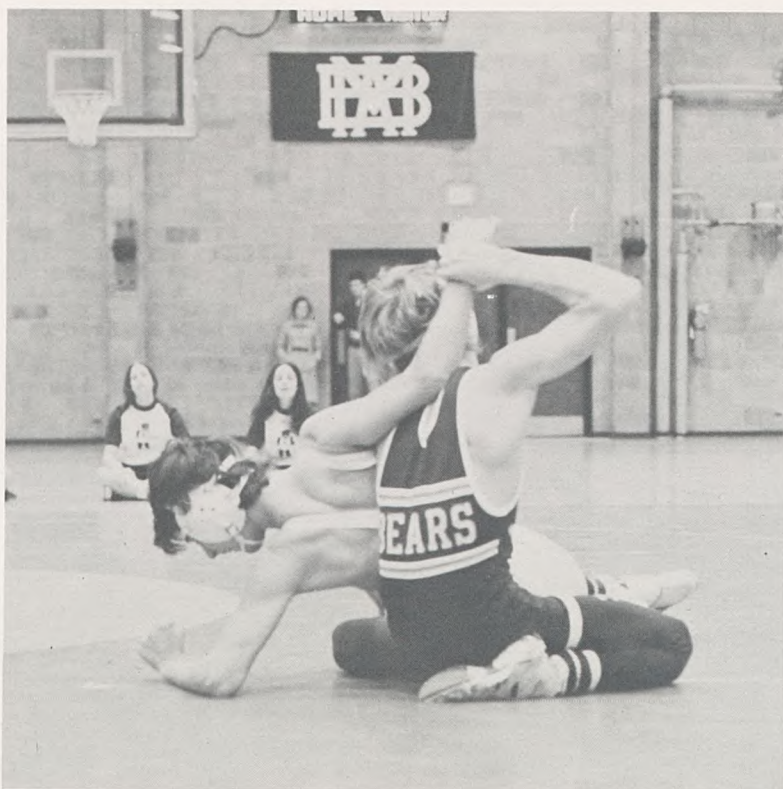

finishing fourth. Freddy McLaughlin was the 114-lb District Champion; Jerry Patterson, Michael Huddleston, Clay Whitson, and Bill Scanlan placed second, and Jerry Jordon and Oman Weiland finished fourth. Michael Huddleston advanced to the Sub-State by placing second in the Regional. The future appears bright for the wrestling squad. Although the team will feel the loss of co-captains Bill Scanlan and Barry Gaddes, five starting juniors will return. Also back for another will be sophomores Jerry Jordon, Pride Scanlan, Jim Dale, and Joe Wieck. Returning freshmen include Bob Russel and David Linn.

Left to right: P. Scanlan, McLaughlin, Patterson, Jordon, Russel, Bishop, Huddleston, Dale; 2nd row: Mr. Buck, Gaddes, Weiland, Linn, Scanlan, Wieck, Mallory.

Mr. Buck hopes that by encouraging interest in and support of the wrestling program, there will be a greater involvement in participation. He plans to take a group to the Iowa State Wrestling Camp this summer so that young wrestlers can become more experienced. Coach Buck says, "The talent is here at MBA; it needs only to be developed, and I hope to bring about this development."

# FRESHMAN WRESTLING

Left to right: Pierce, Wagster, Warnock, Irwin, Kral, Henshaw, Crow, Frost; Row 2: Stumb, Barnes, DeLay, Baker, Turner, Nelson, Griffin, Richardson, London.

The freshman wrestling team had a disappointing season this year. The team was forced to forfeit 5 weight classes for matches early in the season and 2 classes for the remainder of the season. The freshmen won only two matches against a powerful Ryan team but came back the next week to defeat Cameron.

Over the Christmas break the team worked out with the varsity and a much improved team demolished Hillwood but suffered a close loss to McMurray.

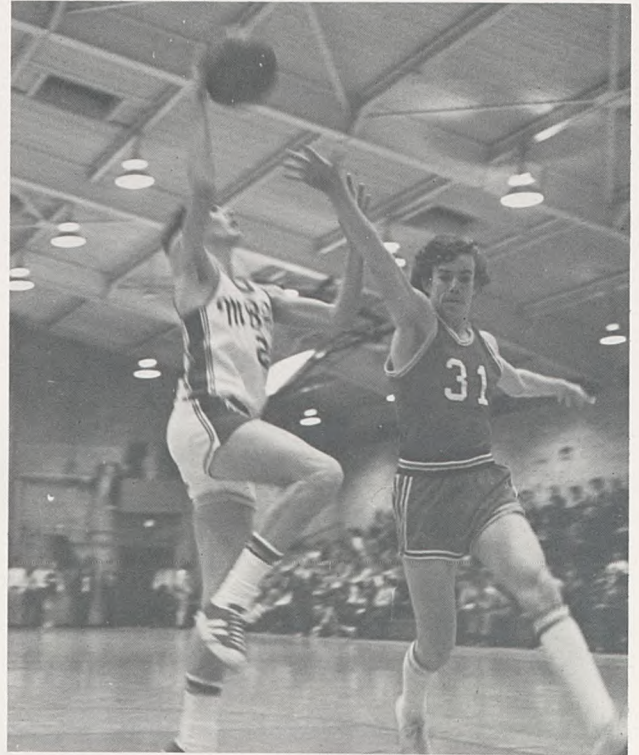

The freshmen wrestlers ended the season by going to the McMurray Invitational where Galt Baker placed third and Paul Stumb placed fourth.

# VARSITY BASKETBALL

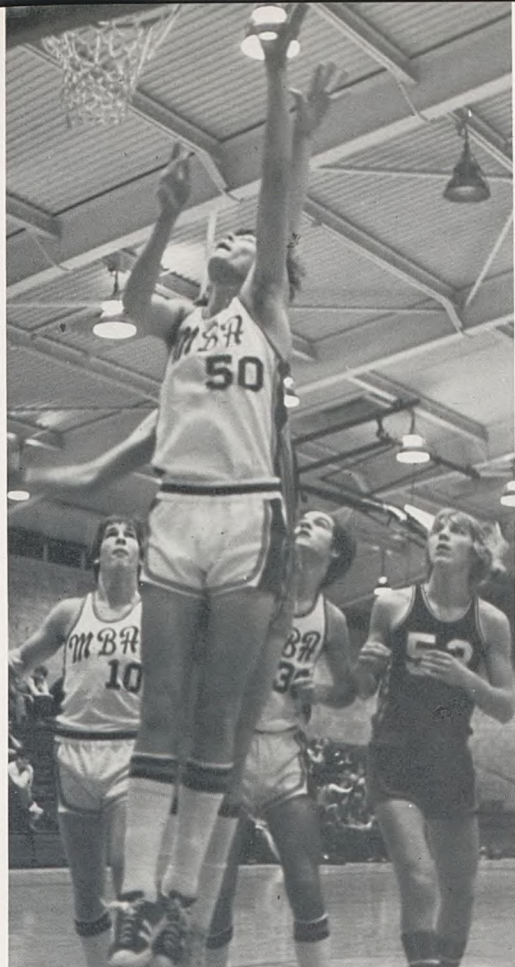

MBA's 1974-75 varsity basketball season was highlighted by veteran basketball coach John Bennett's return to the hardwood to direct in the tough 14th District of the Nashville Interscholastic League, the Big Red relied on outside shooting and good defense to make up for a lack of height.

All-14th District guard Joe Thoni headed the offensive attack with a 16 point per game average. Senior forwards Russ Heldman and Jack Nuismer averaged 10 points apiece per game. Thoni also made the 3rd team All-Nashville while Honorable Mention All-Nashville honors went to Heldman, Nuismer, and junior center Mike Ralston who led the boardwork with an average of 9 rebounds per game. Seniors Brad Turney and David Jacobs alternated admirably at the other guard spot as senior Jimmy Deal and junior Kurt Witt helped greatly at forward.

Row 1: Heldman, Jacobs, Turney, Thoni, Nusimer, Deal; row 2: Evans, Hill, Witt, Hooker, Ralston, Farmer, Thym, Fort, Laddiss.

Junior John Hill, Bobby Thym, Brad Hooker, and Mike Farmer showed future promise in abbreviated roles.

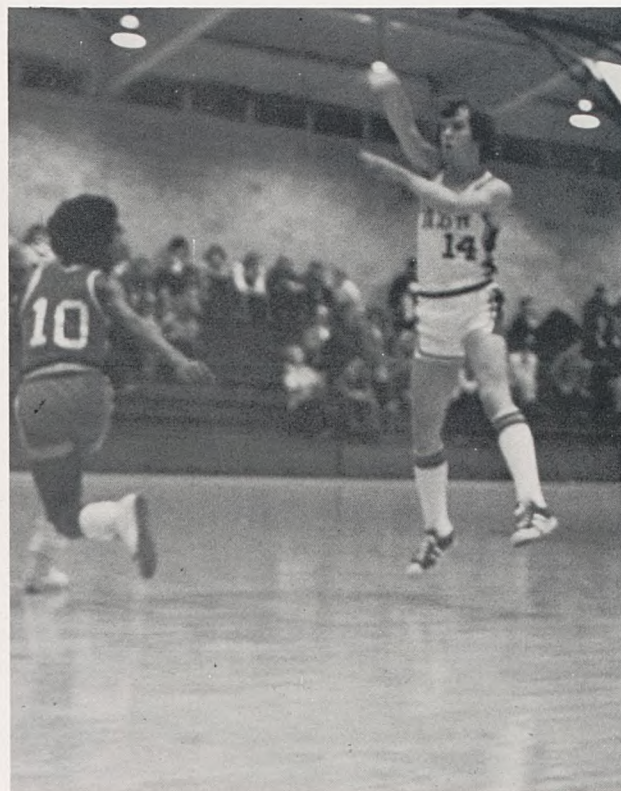

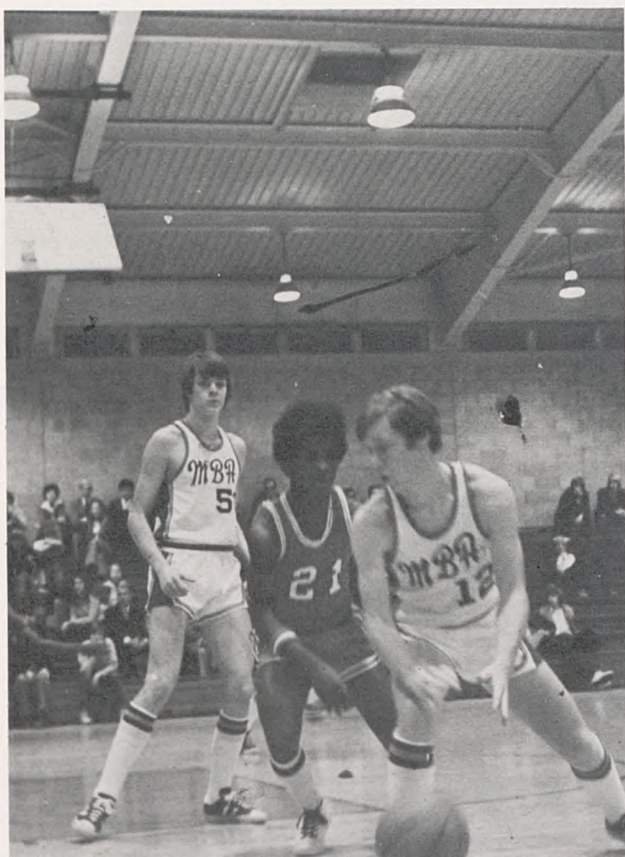

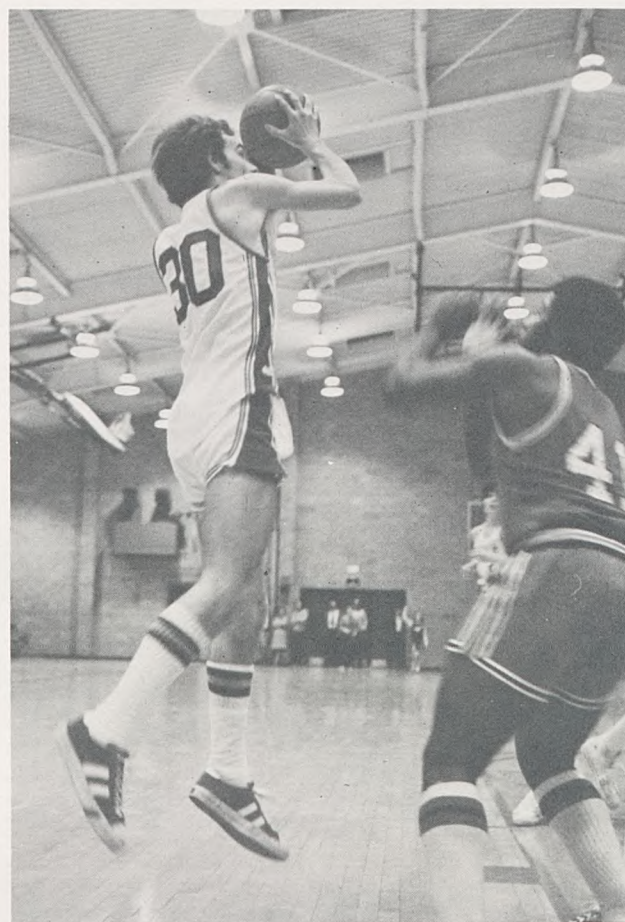

The Big Red found playing on the road difficult and welcomed the friendly confines of Brownlee O. Currey Gymnasium where the team recorded several upsets. The season was kicked off at MBA with an exciting 55-54 win over the Hume Fogg Blue Devils. Joe Thoni connected with two of his 34 points with a few seconds left to secure the win. Again at home, Thoni hit one of his patented "squeejy" shots with five seconds left to lead a win over arch-rival Hillsboro, 51-50. Joe ended with 21 points while Mike Ralston added 12. A trip to Chattanooga McCallie in mid-season proved profitable as the team avenged a one-point loss suffered the previous year to the perennial Chattanooga power, 63-54. Joe Thoni (29 points) and Russ

Heldman (14 points) led the offense while Mike Ralston grabbed 10 rebounds. A week later the Big Red upset talented and highly ranked Pearl on a tip-in by Ralston with just a few seconds remaining. The final score was 60-58; a tough MBA defense held the explosive Tigers to only 13 points the first half. Another highlight of the season was a 75-71 victory over District rival Cohn. Jack Nusimer led the charge with 26 points and Russ Heldman added 16. MBA's final season record stood 12 wins, 12 losses.

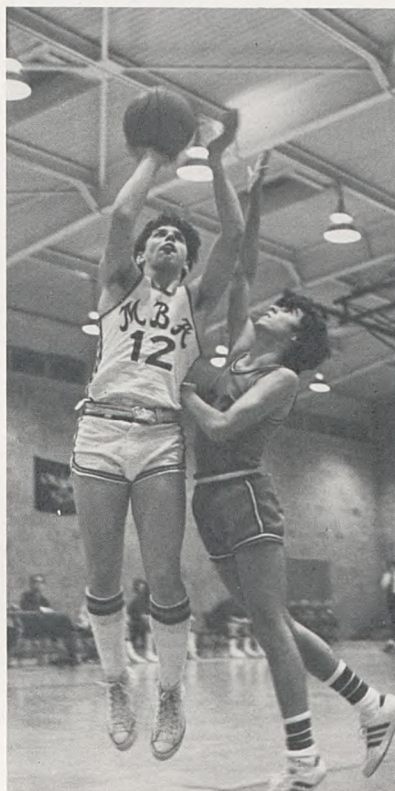

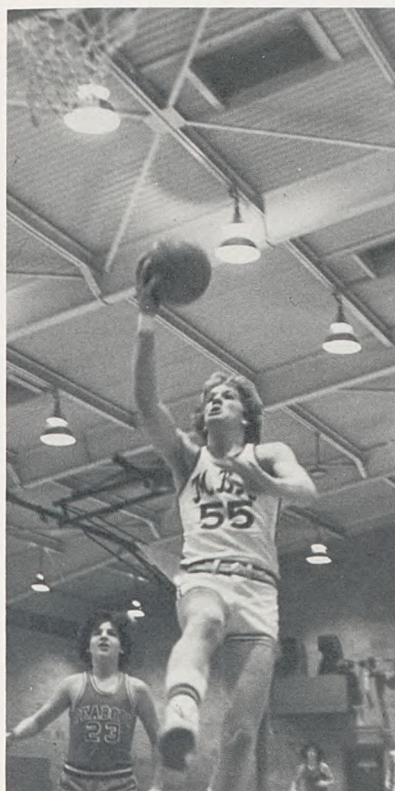

Coach Bennett's crew headed into the District 14 Tournament with eyes on a regional berth. Although Russ Heldmen and Mike Ralston combined for 20 rebounds against first round opponent Hillwood, the Big Red offense could not get going. MBA's season ended abruptly as a last second attempt at tying the score failed; Hillwood won the defensive battle and the game, 45-43.

MBA will miss the six graduating seniors who contributed greatly over the years to the basketball program but a good crop of JV players and a few varsity returnees make the future look promising

# J.V. BASKETBALL

This year's Junior Varsity basketball team was plagued with inconsistency. Alternating excellent and poor performances resulted in the attaining of a 12-11 record. Highlights of the season include a key 43-39 win over rival Father Ryan in their Gymnasium, a 69-65 overtime win over Hillsboro and wins over Hillwood, Glencliff, and Bellevue. The team was paced all year by the performance of Brad Hooker who averaged in double figures in both points and rebounds the entire season. Other first-rate performances were turned in by Danny Newman, Bobby Thym, and a steadily improving Hal West. These 13 J.V. players should offer a solid nucleus for future Varsity squads.

Kneeling: Duke, West, Tune, Thym, Williams, Smith; standing: Kimbro, May, Hooker, Edmonson, Beasley, Maxwell, Newman, Reasons.

# FRESHMAN BASKETBALL

Row 1: Patterson, Nova, Crenshaw, Holland, Simpson, Hawkins, Pinder; row 2: Binkley, Anderson, Smith, Neil, Hardin, Anderson, Dicker, Milam, Sullivan.

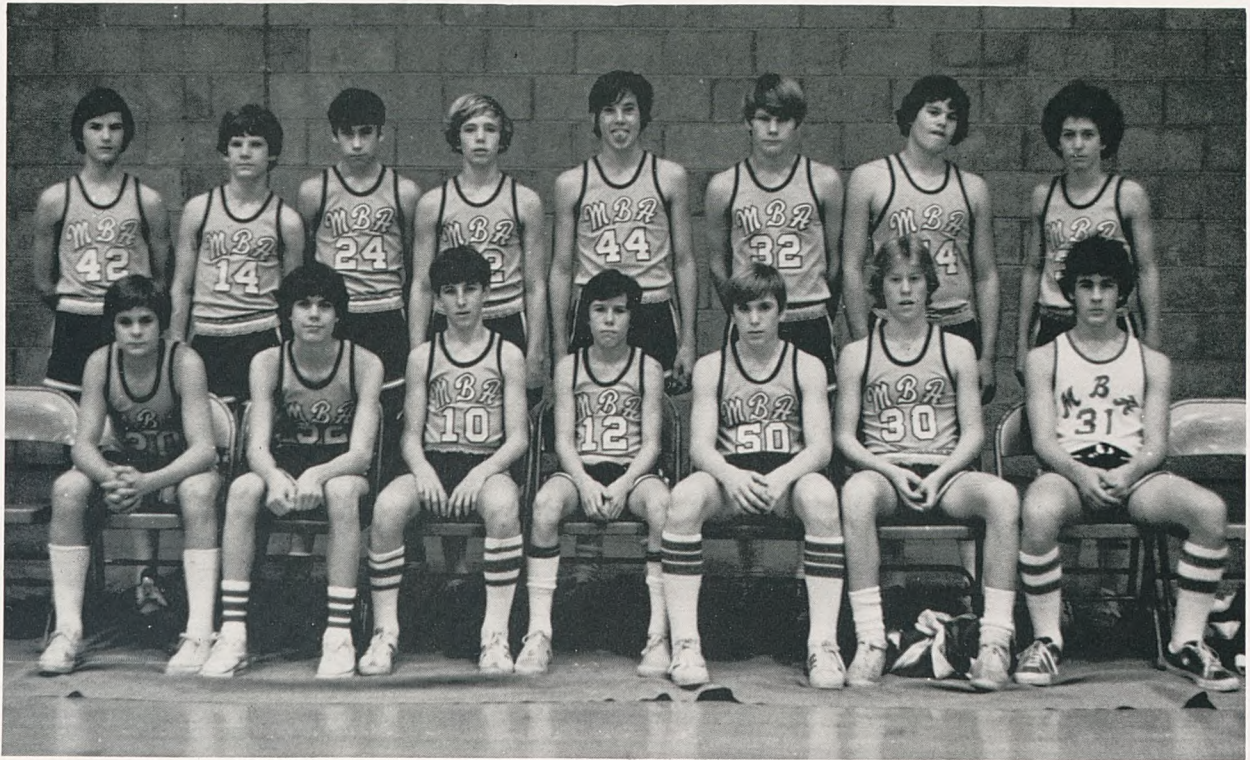

The freshman basketball team compiled an overall 3-12 record under second-year rookie coach John Reed. The team won a mid-season victory over BGA and an impressive tournament victory over Hillwood. Captain Robert Holland was the season's leading scorer and Johnny Dicker was also an important offensive player. Others playing well this year were Wenning Hardin, Greg Simpson, and Don Pinder.

SEVENTH GRADE INTRAMURAL CHAMPS: Left to right: Heller, Kaplan, Daugherty, Fine, Galloway.

# MICROBE BASKETBALL

Row 1: Latimer, Martindale, Moore, Bowers, Ferguson, Templeton, Todd; row 2: Duke Davis, Woodward, Massey, Wheeler, Levan, Smith, Horton.

The microbe basketball team finished with a record of 13-3. Led by the masterful hands of coaches Harkey and Medlin, the team consistently gained momentum all year. The microbes played well in the H.V.A.C. tournament, winning their first two games and losing in the finals to Brentwood Academy. The team placed second in that tournament as well as finishing second in the H.V.A.C.

Captain Vance Wheeler and Andy Massey shared top-scorer's honors, while Mark Levan and Richard Smith gave the Little Big Red formidable board strength. Much help was also given by seventh-graders Ricky Bower and Freddy Horton

EIGHTH GRADE INTRAMURAL CHAMPS: Left to right: Johnson, Dale, Crow, Dempsky, Cohen, Guttman, White, Gross.

# SOCCER

MBA'S continually improving soccer team had a regular season record of 8-0-2 and an overall record of 11-0-2. Mike Shea, Gerry Goertz, Johnny Schaffner, Boyd Gibbs, Brion Friedmon and Steve Ellis led the coordinated offense. Joe Davis, Dale Berry, Bob Bolster, Bill Waterfield, Les Coble and Ben Armisted played excellent defense as MBA held its opponents to 9 goals while scoring 38. Coaches John Lanier and Tommy Webb gave invaluable leadership to the team. After tying Ryan in the first meeting, MBA united superb offensive play with consistent defense to win 3-0. The team came back from a 1-3 halftime deficit to tie Webb 3-3 in the last 3 minutes of the game. MBA avenged last year's loss in the state tournament finals by beating McCallie in another excellent game.

Row 1: Deihl, Bolster, Brown, Gibbs, Goertz, Crawford, Armisted, Shea, Schaffner, Burrus; row 2: Orr, Berry, Davis, Sweatt, Ellis, McWhirter, Regen, Robinson, Friedmon, Kirkpatrick, Coble, Waterfield.

The team went into the state tournament seeded first. The team had lost standout John Schaffner earlier, but he was replaced by Clint Regen who learned his position quickly. The defense salvaged possible early losses by recording shutouts against Sewanee and Baylor. Gibbs headed in a goal to down Sewanee 1-0 and Shea, Coble, Friedman, and Felipe Corrales all hit penalty shots to win the tie-breaking shootoff after MBA and Baylor had battled to a 0-0 tie at the end of regulation play.

MBA played one of its finest games against Webb in the finals of the State tournament. The defense dominated the first half, which was scoreless. In the second half, Shea scored two

goals. The lead was maintained until 29 seconds remained when Webb scored. However, very happily, the clock ran out before Webb could threaten again, and MBA had its first State Championship. A solid defense and consistent play were the key to the Tournament victory as well as the whole season. Special honor must go to Joe Davis who, being named most valuable defensive player of the tournament, contributed, along with rest of the defense, to make MBA first in the state.

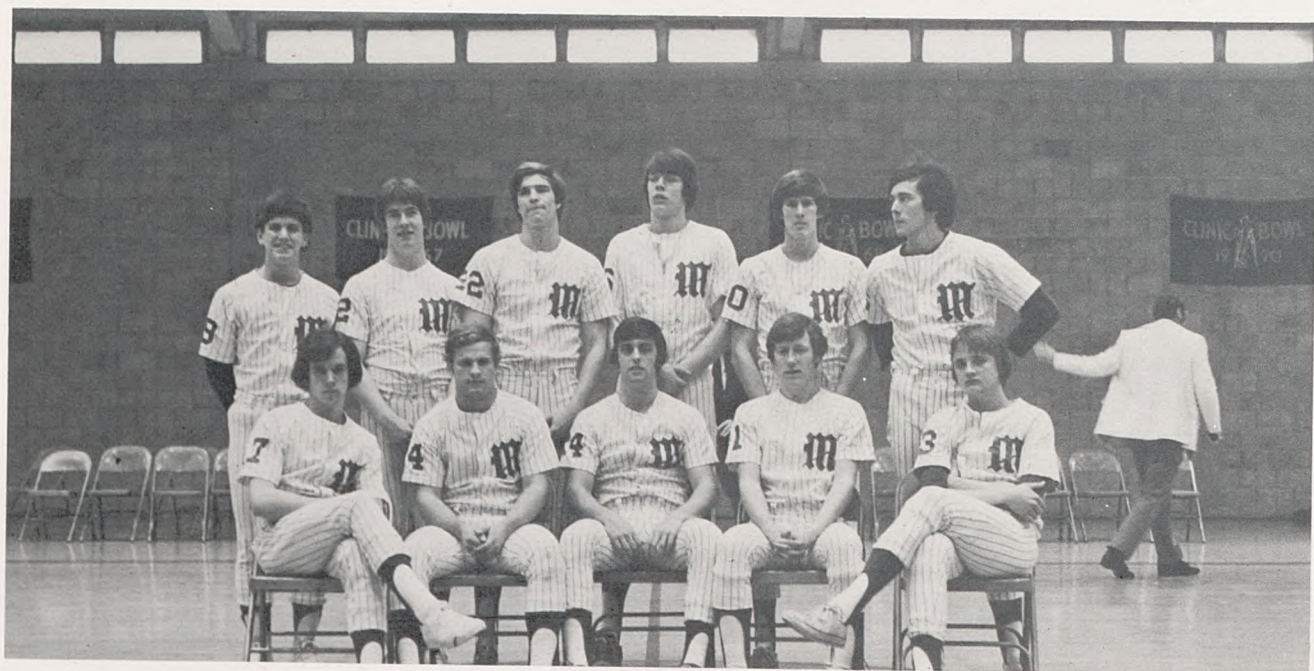

## J.V. SOCCER

Row 1: Richards, Morgan, Mace, Garner, Chernau, Mader, Schull, Andrews, Lannon, Preston, Kurtz; row 2: Garret, Hannon, Jackson, Lassing, Moench, Estes, Andrews.

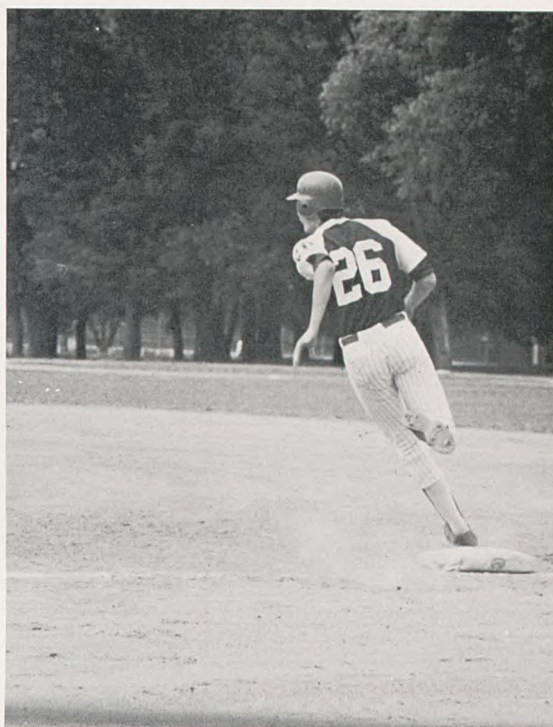

# VARSIITY BASEBALL

Row 1: Turney, Goertz, Harris, Thoni, Parnell; row 2: Smith, Hill, Burch, Ralston, Nuismer, Ganick.

MBA had one of its strongest baseball teams in several years. A large group of seniors provided the leadership for the team. Robert Harris, Jack Nuismer, and David Parnell were the starting pitchers. Nick Gannick, Gerry Goertz, Joe Thoni; Brad Turney were other seniors who were important as batters, runners and fielders. Other contributions were made by John Hill, Bill Smith, Steve Burch, and Barry Duke.

The Baseball team was fortunate to have the enthusiastic leadership of Coach Jim Jefferson, who was ably assisted by Coach Caldwell.

# TENNIS

Row 1: Burrus, Sawyers, Howell, Calton, D. Templeton, Bolster; row 2: coach James Poston, G. Templeton, Berry, Daniel, Davis, Thym, Jacobs.

MBA's 1975 tennis team returned three players from the top six of last year's NIL championship team. Captain Gil Templeton returned to his number one position, followed by Johnny Howell and Joe Davis. Johnny Daniel, Bobby Thym, Dale Berry and Bill Calton made important contributions to the squad and will return in '76. David Templeton, an eight-grader, proved himself a player with great potential, and his future as well as that of the team, looks bright.

# TRACK

Kneeling: Lassing, Gibbs, D. Moench, Wynn, Akers, Kirkpatrick, Wallace, Simon, Glazer Howell; row 2: West, Shell, Lackey, Baldwin, Rich, Whirson, Wells, Davis, Friesinger, Luplow, Bogle; row 3: Wilson, Moore, McLure, Reasons, Chazen, Friedmon, Coble, Edmonson, Weiland, Rebrovick, R. Moench, Parker, Witt.

Last year's MBA track team won the AAA central division championships and placed third in the district. Seniors Kirby Davis, Johnny Parker, Chris Friesinger, Scott Wells and Clark Akers returned to lead the 1975 squad. MBA had success in indoor meets. Wells placed third in the 880 and the two-mile relay team won fifth at the State indoor meet.

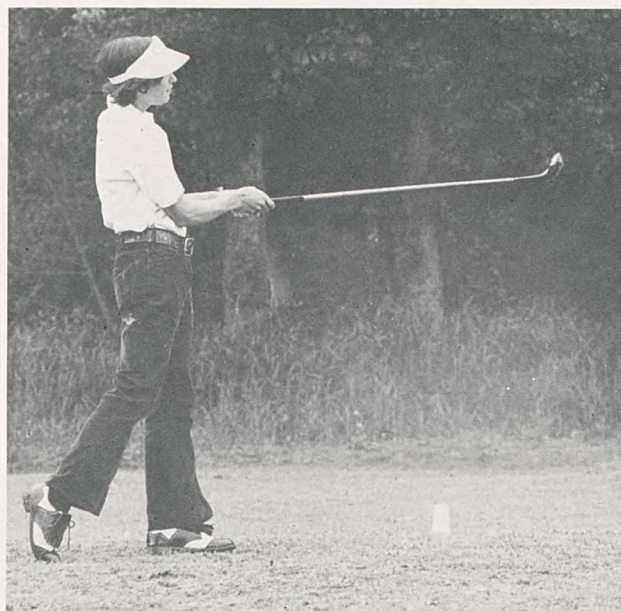

Strong juniors this year were Ken Witt, John Rebrovick, and Brion Friedmon. The strength of the sophomores was also impressive. The team's efforts did much to prepare the numerous young athletes for future years.

Editor's note: Coverage of Track and Tennis has suffered because of torrential rain and a coincidental FINAL DEADLINE which had to be met. We apologize to all slighted coaches, managers, and players.

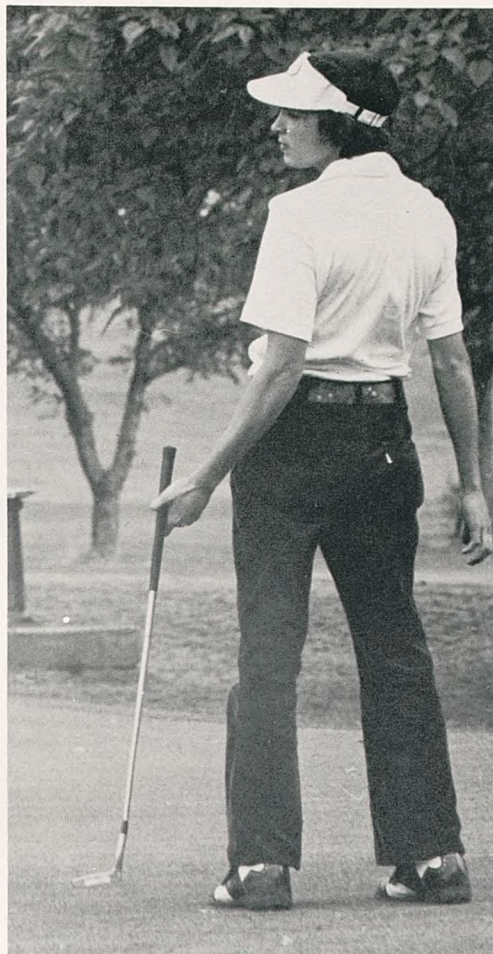

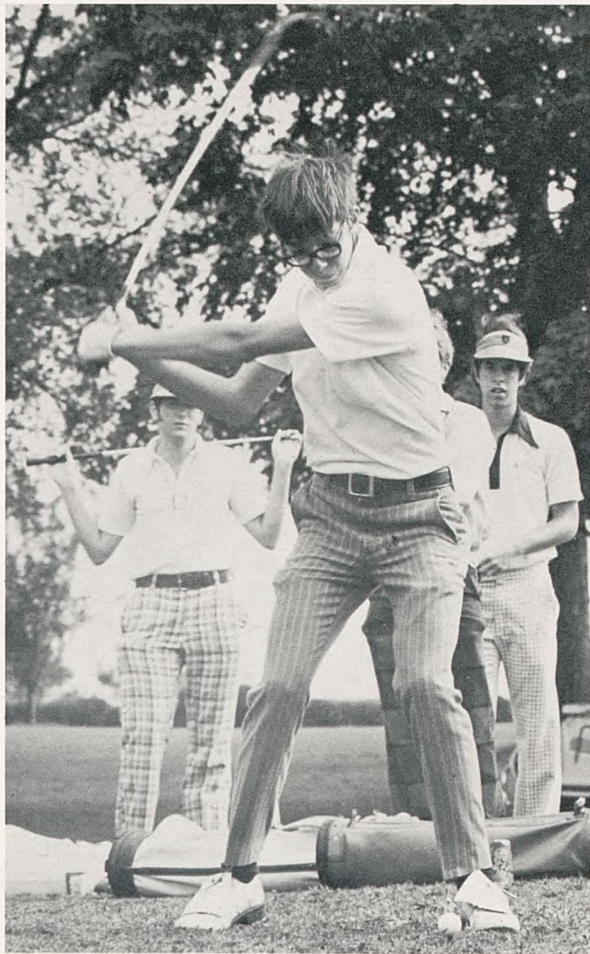

## GOLF

This year's golf team returned only two seniors from last year's team which won the District and NIL championships. Hugh Entrekin and Ed Knish were the seniors on a team which called on sophomores John Hamilton, Grady Burrus, William Morgan and freshman Curt Cole to take on a great part of the responsibility this year.

Left to right: Burrus, Cole, Entrekin, Morgan, Hamilton; row 2: Knish, Rowland, Comish, Orr, Newman.

# RIFLE TEAM

Back row: Woolwine, Evans, Haymore, Davis, Ferguson; front row: Turner, Hobbs, Ayers, Hamilton, DePriest; missing: Griswold, Harrison.

This year's rifle team competed in 3 four-position matches and a final biggie—the NRA Junior Sectional. The results of all these matches were quite good. MBA placed 1st in the first match, and captured 2nd place in the other two Youth Inc.-sponsored four-position tournaments, behind the R.O.T.C. team from Oakland High School in Murfresboro.

MBA wound up the season with the NRA Junior Sectional festivities. As a result of the shrewd strategy planned by coaches Jim Stevens, Rip Sutton and Emmons Woolwine, the Maroon and Silver 4-man teams were created and entered into the team competition of this gala event. In addition, these same eight riflemen plus sub-junior Tim Ayers were entered into the individual competition. The results of the individual match were as follows: Tim Ayers captured the 1st place sub-junior medal and captain Skip Woolwine and Pittman Haymore walked away with the 4th and 5th place medals in the more challenging Junior category, which had approximately 60 competitors.

On the team level, the Maroon team composed of Skip Woolwine, Pittman Haymore, Jim Evans, and Steve Ferguson earned the 2nd place "over-all" medals, while the Silver team made up of John Hamilton, Bill Hobbs, Nelson Griswold, and Louie Davis received the 2nd place non-military scholastic medals, thus finishing the season on a successful note.

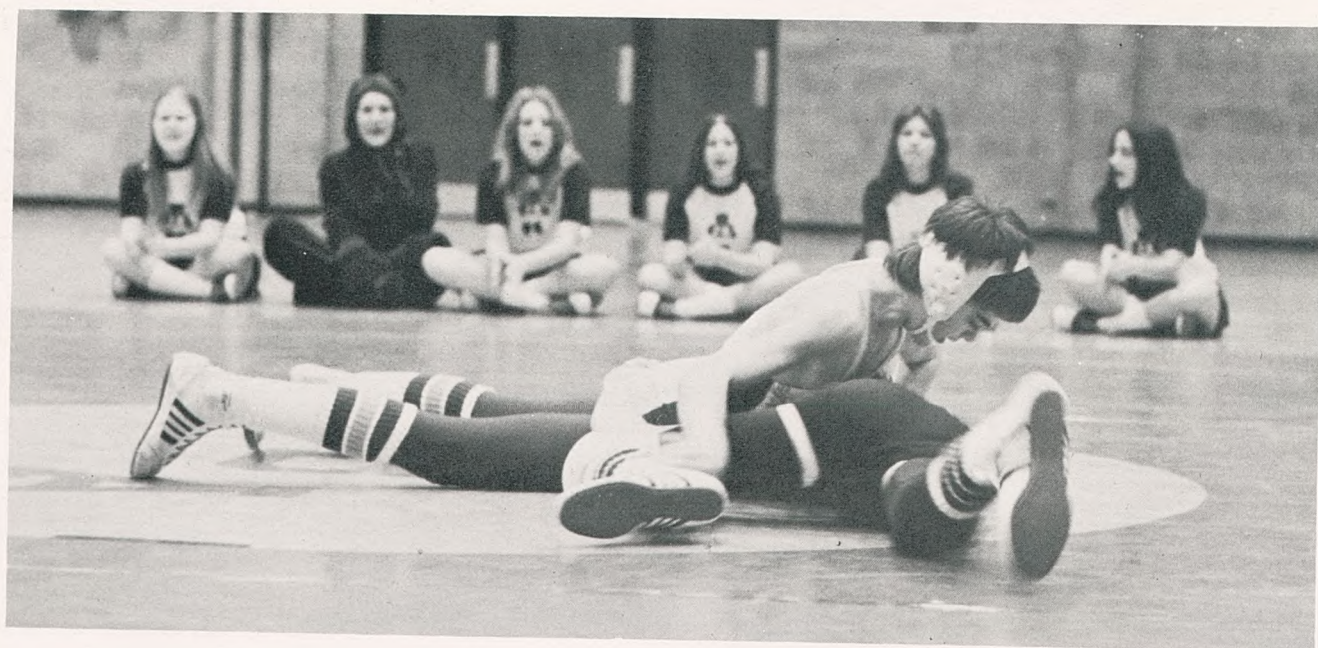

## SWIMMING TEAM

Although the MBA swimming team did not have a spectacular season in terms of team points, much was gained by the growth and added experience of the team. Under the coaching of Ray Ridgeway, outstanding individual performances were seen by Lewis Allen, Greg Nelson and Charles Weesner as they made the TSSAA State Top Ten ranking at the University of Tennessee pool. Also, the MBA relay team of Nelson, Allen, Weesner, and John Gillum captured 4th place in the state. The fine swimming of Gillum, and Bill Nichols with the excellent diving of Freddy McLaughlin and Andy Massey also aided the team. In the dual meet season, extra help came from Rob Parrish, Steve Hinshaw, Norm Herron, Mike Smith, Jim Dale, Chris London and Chris Nelson.

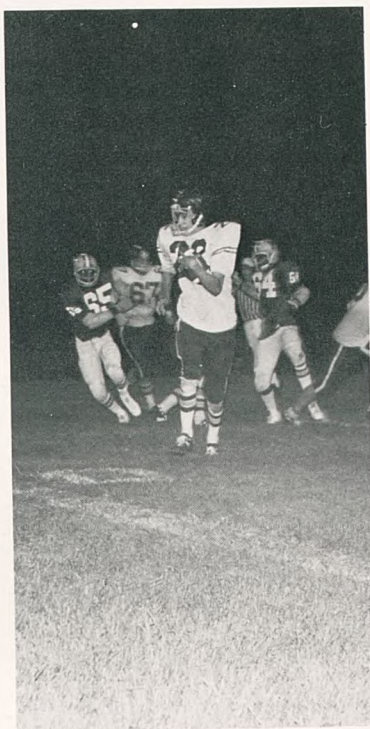

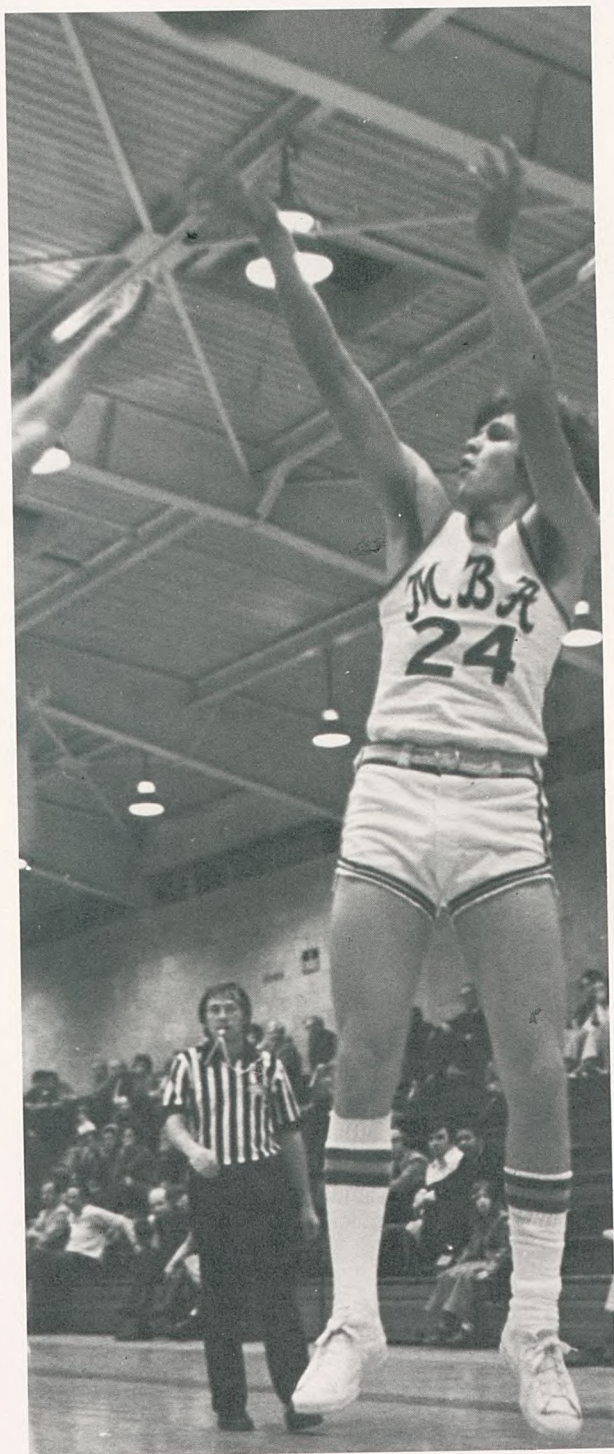

Seated: Gillum, McLaughlin, Nelson, Allen, Parrish, Weesner; standing: Frost, Nichols, Herron, Massey, Dale.

We regret that the existence of the seventh grade football team was not brought to our attention sooner. We are still uninformed about their precise record, but we are sure they are a credit to the school.

Row 1: Coombs, Molesworth, Smith, Kline, Heller, Ridgeway, Wagster, Gregg, Benz; row 2: Hannon, Moore, Lipscomb, Johnson, Anderson, Pack, Hollins, Crabtree, Whitson; row 3: Henderson, Herbert, Ferguson, Davis, Altenbern, Horton, Griscomb, Edwins, Mitchell.

# The World Ahead.

Pipelines, currencies, lawsuits, freighters, futures, offshore spills — the elements of change are many. Only the rhythm is constant.

At Synercon, we prepare ourselves daily to meet the problems and parameters of change. To anticipate and move with them. Because there can be no growth without change. And no change without risk.
